You a very sweet
AND cute girl. I'm

GLAD I got to know
you. I love you

love,

Travis

Bobbie go.
your not only my
Closest cousin but a
real good friend. We've
been through alot together.
I say stay that way you
are but we all know you
Huntors never change. Have
fun in high school and stay
out of trouble. Love You,
Sherr

Bobbie Jo Davis,
you're still my
best friend. My
parents can't sep-
arate us for long
you'll see, & you
know if you find
other friends, they
won't be the same
(that's what you
said) well the same
goes for me. I got
a poem 4 you, And I mean it from
the bottom of my heart.....

(Reserved for Terrie) (Don't
touch)
my goals are so low they
keep falling down.
But each day seems like there's no ground
No sound on earth, won't keep me around
for the day I live there will be downs.
My dream won't fail for the one I knew
She is beauty that grew & grew.
The laughter, the fun, the joy we had, will
soon be a memory if I don't get my
friend back.
The bottom of my heart, that truth
lies, for someday it will be, better
than a rhythm.....

(To my B.F.)

Love,
Terrie

ACTIVITIES AND ORGANIZATIONS

"I'm on a mission, a quest you might say. Since my ineligibility, lack of academic achievement and poor scholastic aptitude, I have devoted myself to be a leader of many, follower of few. The idol of children and bushmen. To be second in popularity only to Richard Nixon. Don't be just another athletic supporter, support your school — Follow the SPIRIT! (Captain Spirit — Rob Ferguson)

"No matter where you turned we had students competing with fierce pride, and a commitment to excellence." (Mr. Kerner)

"I thought it was alright, It was a good honor." (Bruce T. Bretzke-King)

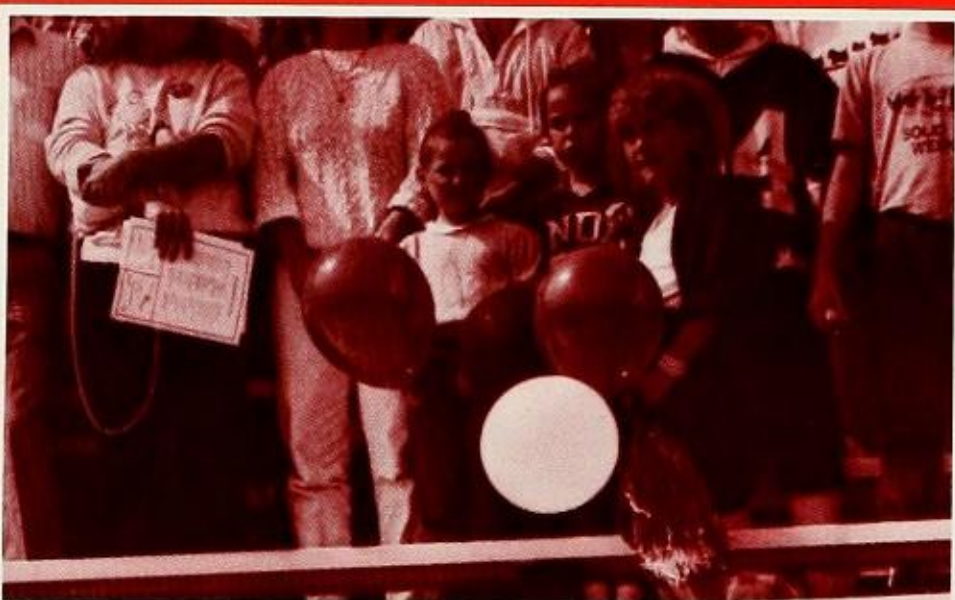

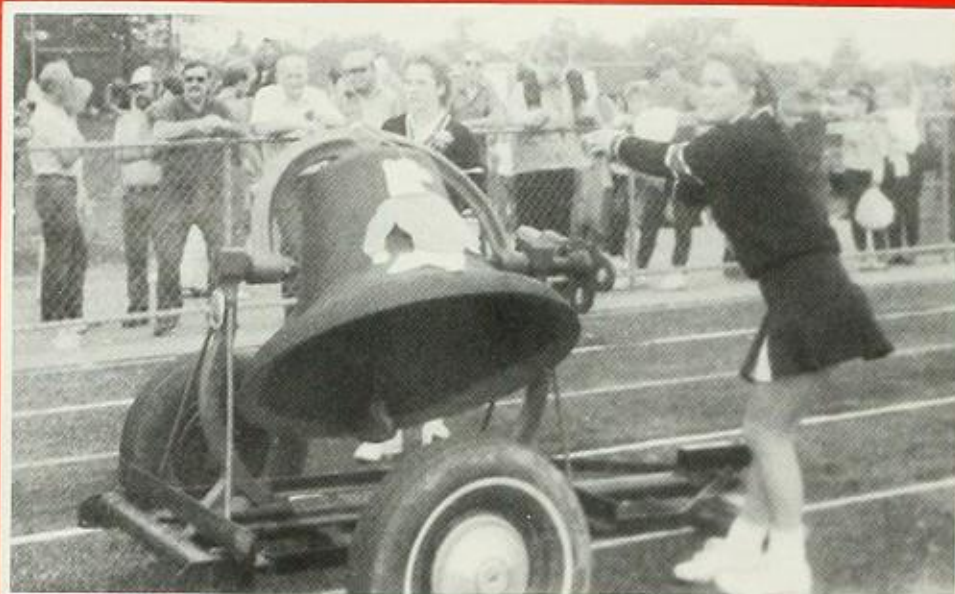

THE MAIN EVENT

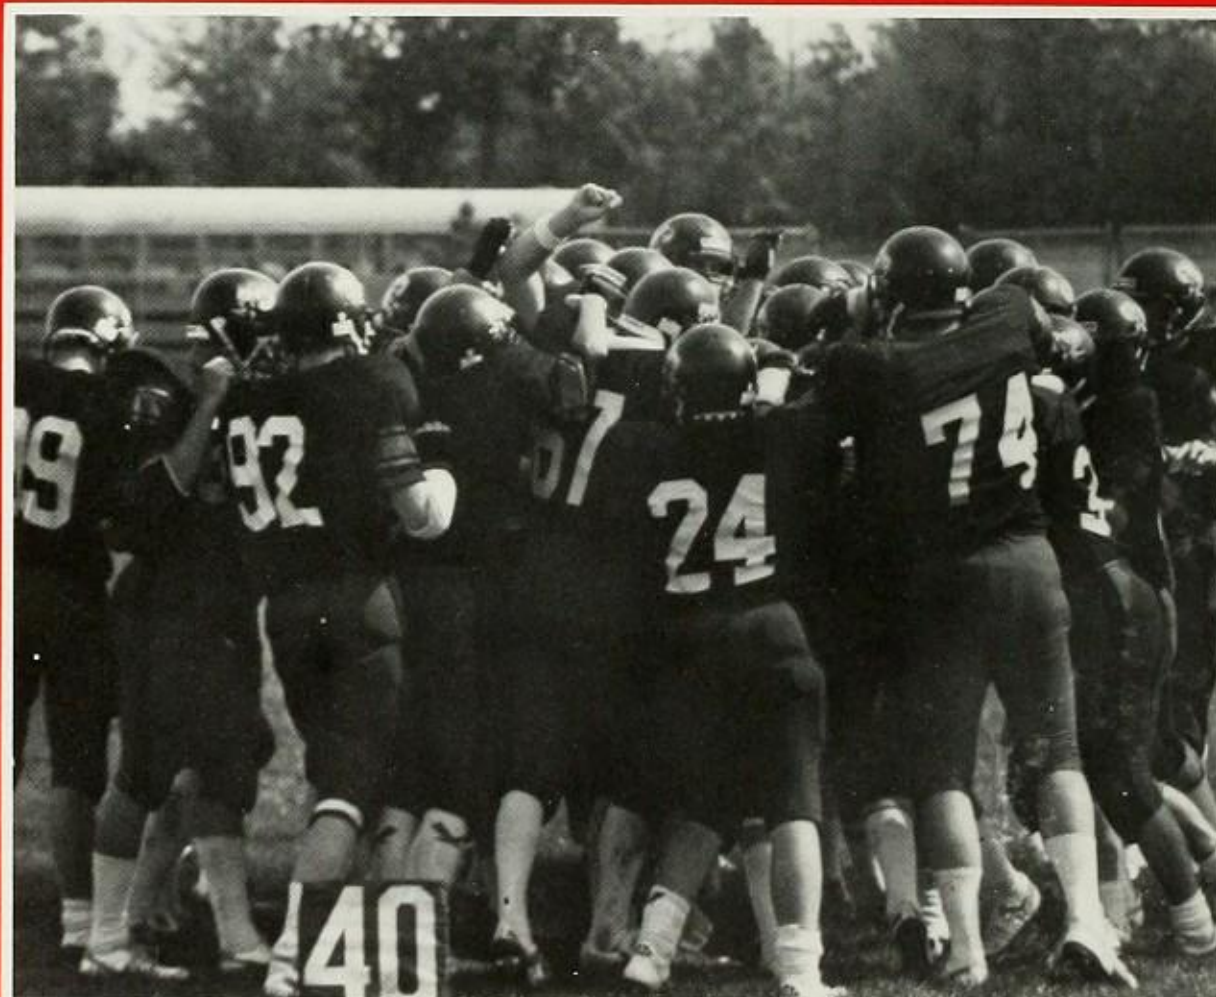

The "Main Event", was an extra special edition to the Homecoming week. This years pep rally was certainly one to remember. The assembly started off with a fiery speech from Mr. Kerner, and then the show began. The Old Spirit, Mr. Piwowarczyk, and the New Spirits, Mr. Maas, and Mr. Totzke were up against each other. It was a tense moment as the old and the new battled it out on the mats. Never the less, the New Spirits came out the champs.

The teachers organized this one for the students. To most, it was a big surprise and a lot of laughs. It really got the spirit flowing. Not only did the high schoolers participate, but they were joined by the Linden middle-schoolers. It was an added event unlike the usual pep rallies.

THE BELL TOLLS 35 TIMES

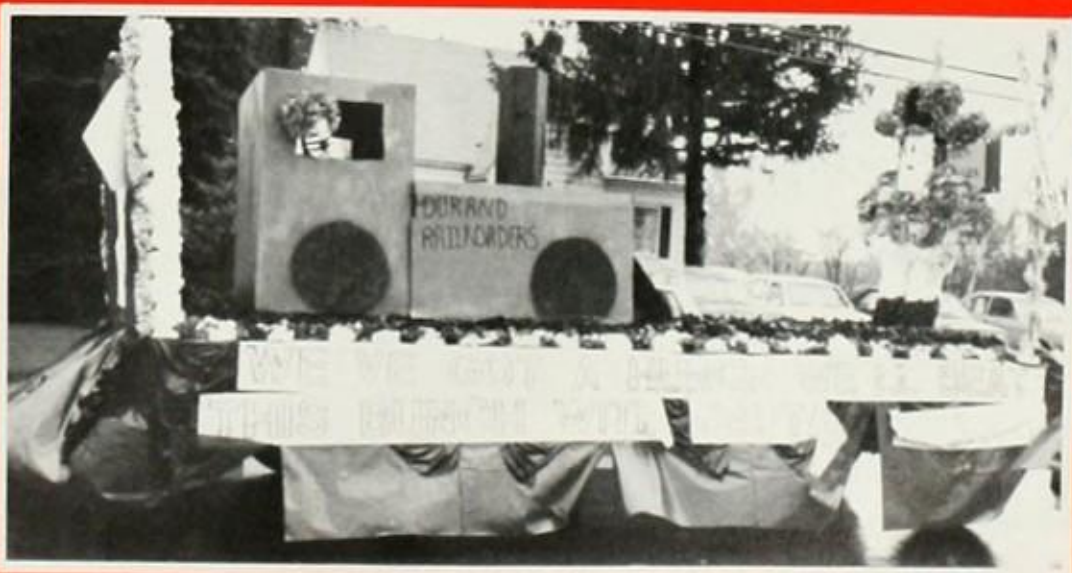

"I had a lot of fun and since it was my senior year it made it even better." (Joe O'Brian)
 "I was really nervous but I had a lot of fun, It was exciting." (Kerri Holland)
 "I think it's the best one we have had because we had spirit and we had a winning season with football and band." (Sue Vessey)
 "To me Homecoming is always special. We played an excellent game in one of our biggest crowds." (Coach — Mr. Hopkins)

The 1986-87 Linden Homecoming elaborated on the theme of cereals this year. The classes had a good time creating their design and putting it all together. The winning float was the Sophomore class, with the Freshmen class in second place, Junior class in third, and last but not least the Senior class with fourth place.

Even though it rained through most of the parade the spirit of Linden shined through. And as always the football players, cheerleaders, and the pom-pom squad followed along as the Linden Band marched on accompanied by Linden's Queen and her Court. To top the afternoon off Linden football players dominated Durand 35-0! They played a good game offensively and defensively.

QUEENS COURT

"My highschool years have been the best and making Homecoming Queen was a great way to top it off." (Queen — Linda Moughler)

"It was a busy week with lots of things to do. I think we all had a good time." (Junior — Chrissy Gitre)

"It was a lot of fun, and we all got a lot of attention." (Sophomore — Bev Osmond)

"It was exciting being on court, and I got to meet alot of upper-classmen." (Freshman — Carrie Dawson)

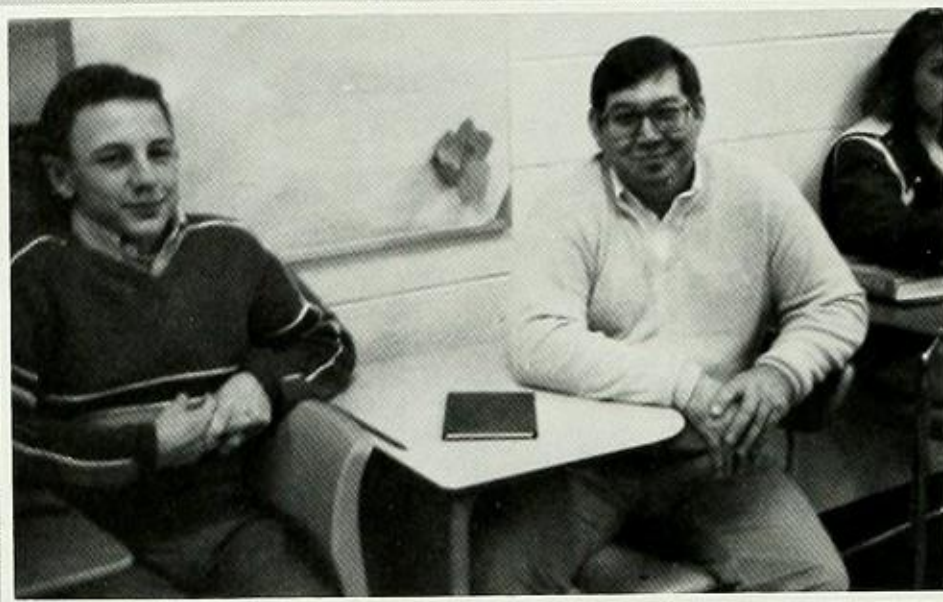

"I was excited, and I felt proud because I was an exchange student and I was Chinese." (Foreign Exchange student — Sue Young)

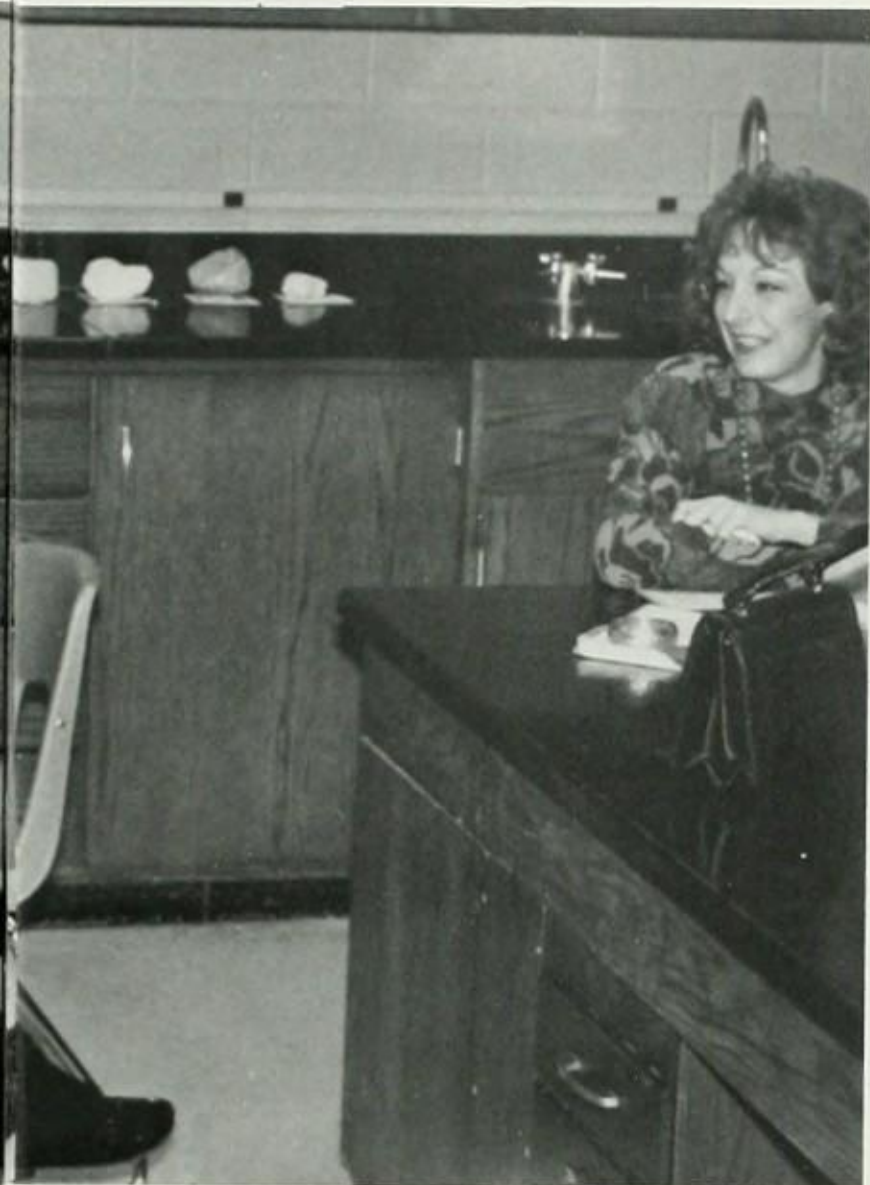

Fourteen girls were elected to the 1986-87 Homecoming Court. *Seniors:* Linda Moughler (Queen), Kelly Neadeau, Nancy Orr, and Tammy Woodbury. *Juniors:* Amy Warner, Chrissy Gitre, and Jodi Ray. *Sophomores:* Renee Foote, and Bev Osmond. *Freshmen:* Missy Mudrak, and Carrie Dawson, Exchange students: Reiko In, Sue Yeung, and Synnove Sorthe.

OOPS DAY

*Doug Tebo: "I thought it was nice, I found out what students go through everyday.
Matt Adair: "I liked it."*

BACK TO SCHOOL

After taking last year off, Operation Parent-Pupil Switch Day was back in action. Once again the turn out was excellent as 100 parents traded places with their son or daughter for a day at school.

It's a fun day but there is no kidding around as the parents are required to do whatever their son or daughter has to do during a normal school day. This includes taking notes, taking part in discussion, and taking tests. One of the biggest challenges starts as the parents usually have some difficulty finding their lockers and classrooms. But once this nuisance is over with, they get the pleasure of 6 hours at a student's desk.

Many of the parents are often amazed at the changes in the school since they

attended high school. Things like what the students wear, and say are often a little surprising to many of the parents. However, the most surprising part is how long sitting in a chair for 6 hours can be.

"We have found that Parent-Pupil Switch day is a great way to increase communication between the school and the home and a nice way to get the community more involved," stated Mr. Kerner. Parents and teachers meet in the media center afterwards and usually the conversation is all positive, as both the parents and the teachers benefit from this experience. And don't forget the students' who get their parents to come in get a benefit too, A DAY OFF!

Dylan Raymond: "It was pretty neat having my mom come in."

Mrs. Raymond: "It was a long day, but I enjoyed it."

YEARBOOK

The 1986-87 Yearbook staff felt right from the start that the '87 school year would be something to talk about and that was the very assumption on which they built their yearbook. The staff made a special attempt to get feedback from the student body, and they included many quotes from the students and the teachers as to how they felt about what was happening during '87.

As it turned out, the theme, "Something to Talk About," was an excellent choice as many things "To Talk About" happened throughout the school year. We were extremely successful in sports, academics, and student involvement groups. The student body was active and they showed they cared and took pride in their school.

The 1986-87 Yearbook staff, was also proud to present this year and all the good times that went on as we certainly had plenty "To Talk About."

Back Row: Steve Carpenter, Mike Cason, Matt Singer, Steve Miller, Paul Steck, Ed Kupper, Brad Baldwin, Chris Fairbanks, *Front Row:* Tammy Clouse, Laura Hawkins, Laurette Morton, Michelle O'Brien, Aimee Scott, Barb Mudrak, Chrissy Gitre and Cindi Day.

COMPUTER TEAM

Jim Krueger, Bryan Wright, Jeff Mather.

Jeff Mather — "Our finish shows that Linden has an excellent computer curriculum"

The Computer Team competed at Mott Community College on May 5th, 1987. They placed 2nd out of 45 teams. The three that represented Linden High School received a prize of \$75.00 each.

MATH TEAM

my Steiner, Tim Smeets, Glenn McGrill, Bill Niester, Jim Krueger.

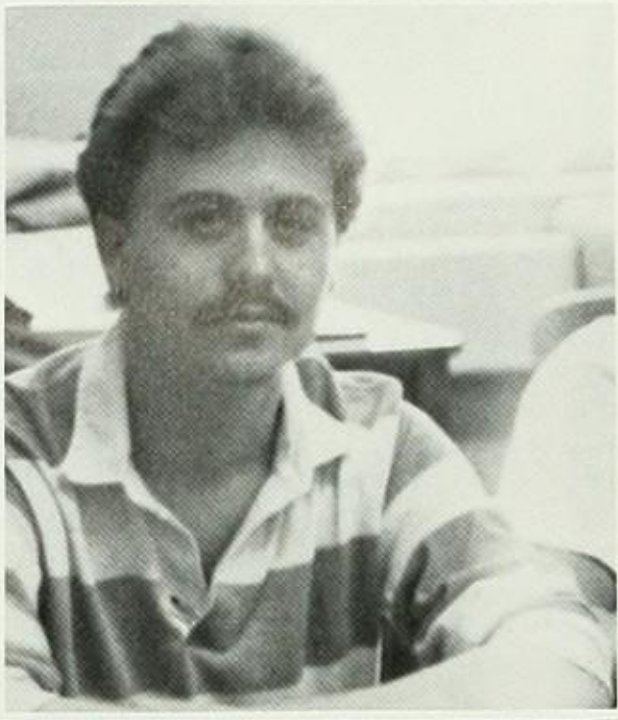

"I thought the experience was pretty neat!" (Tim Smeets)

On February 24th, Linden formed a math team to compete at U of M — Flint with other Genesee County Schools. In the field day, the students participated in several events. They included Leap Frog, Chalk Talk, and the Team Essay.

Leap Frog is a two person event in which the members each have a test and can trade each other when he or she is stuck. Chalk Talk is a one person speech. The Students must give a short speech on one of three topics. Mad Hatter is also a two-person event, the object of which is to answer as quickly as possible.

Linden finished about the middle of the pack in the intermediate School division.

HIGH SCHOOL CHALLENGE

"It's not as easy as it looks. You don't have time to stop and think about the questions, you just react to them. If you think about it, you'll get beat to the buzzer."

Left to Right: Jim Krueger, Milt Bain, Glenn McRill, Matt Spiegel, Bill Niester, Gordy Plummer; Amy Ryan, Casey Fenton, Dan Hench, Tim Smeets.

The 1986-87 Metro League Academic Season has been Linden's best. When the team went to Channel 28 for a competition, they took their first win ever on a T.V. meet against Southwestern, but when they returned they lost to Lakeville.

Dan Hench specialized in math, Tim Smeets specialized in history, and Matt Spiegel was good in science and miscellaneous. This years overall record was 5-3, which was the teams first non-losing season.

Advisors: Mr. Holcomb and Dr. Murphy

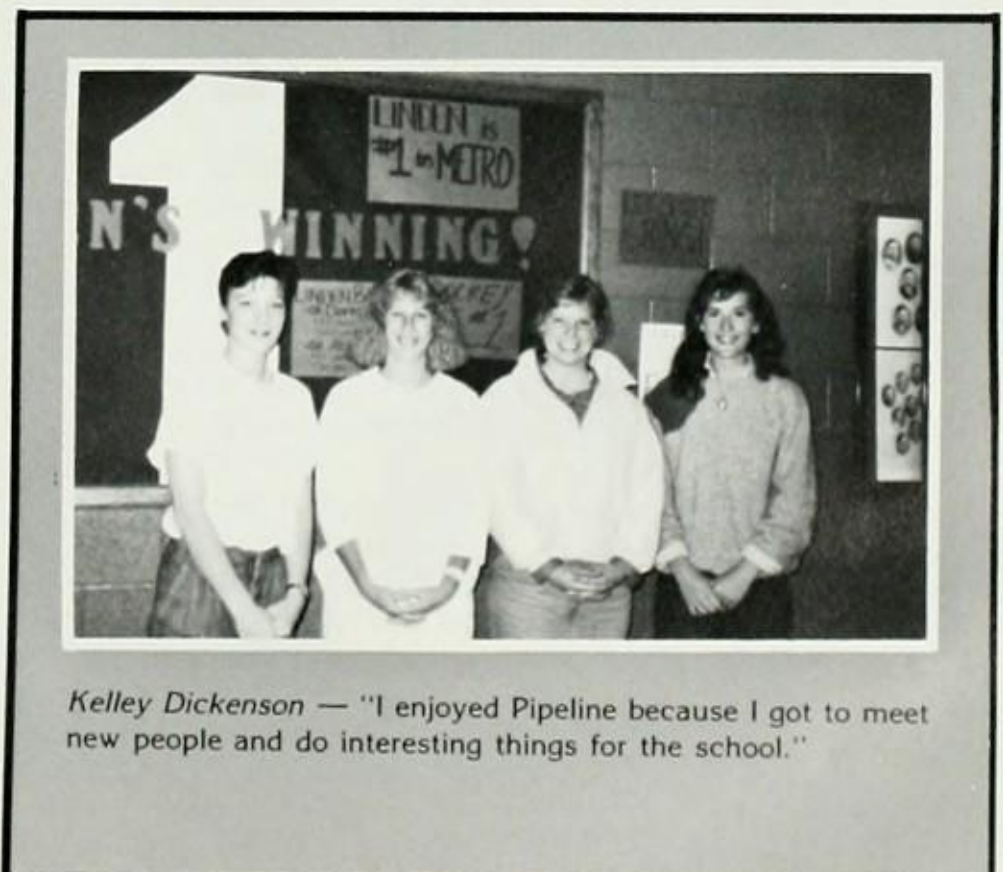

PIPELINE

The "Pipeline", a group organized last year to improve communication in the high school was actively accomplishing that goal again this year. They assisted in many school events such as Open House, school spirit during Homecoming, and publicizing the need to save the "Victory Bell". They also aided in communication to the students by improving the announcement procedure and maintaining the bulletin boards by the office which publicized student information and accomplishments. To help establish future Pipeline goals, they conducted a student survey. Based on results of the student survey, Pipeline members promoted more assemblies and enrichment activities at Linden High School. Among these were: L.H.S. Talent Show, performance by the Fenton "Ambassadors", and formation of a Drama Club and S.A.D.D. Chapter at L.H.S. To show their thanks during Teacher Appreciation Week, Pipeline members conducted a vote for recipients of the "Golden Apple Award" and "Teacher of the Year", which promises to be a yearly event for both teachers and students.

MEMBERS: Jenny Allison, Karyn Anthony, Julie Blankenship, Stacey Chatterton, Chantel Chrispell, Kelley Dickenson (Secretary), Paul Howe, Stephanie McKay, Glenn McRill, Colleen Nicol, Bill Niester, Anita Partin, Teresa Proseus, Penny Rucker (Chairperson), Amy Ryan (Co-Chairperson), Brenda Sielski, Janis Simon, Matt Singer, Randy Soules, Angie Spafford, Matt Spiegel, Angela Horton, David Van Goethem. **SPONSOR:** Mrs. Sue Merchant

Kelley Dickenson — "I enjoyed Pipeline because I got to meet new people and do interesting things for the school."

STUDENTS OF THE MONTH

This year LHS continued to honor "Students of the Month". These students are recognized for outstanding efforts in the classroom and throughout the school. The teachers periodically submit names of students who do more than what is asked of them in a normal day. These students do the extra things that are not reflected in a grade point, things that make the school a better place to teach and learn.

Students of the month: Matt Adair, Aaron Adams, Melissa Crites, Gail Drake, Becky Dunlap, Heather Foren, Renee Foote, Miley Hemby, Amy Howard, Heather MacDermid, Chris Mallo, Tracy Reeves, and Lisa Robbins.

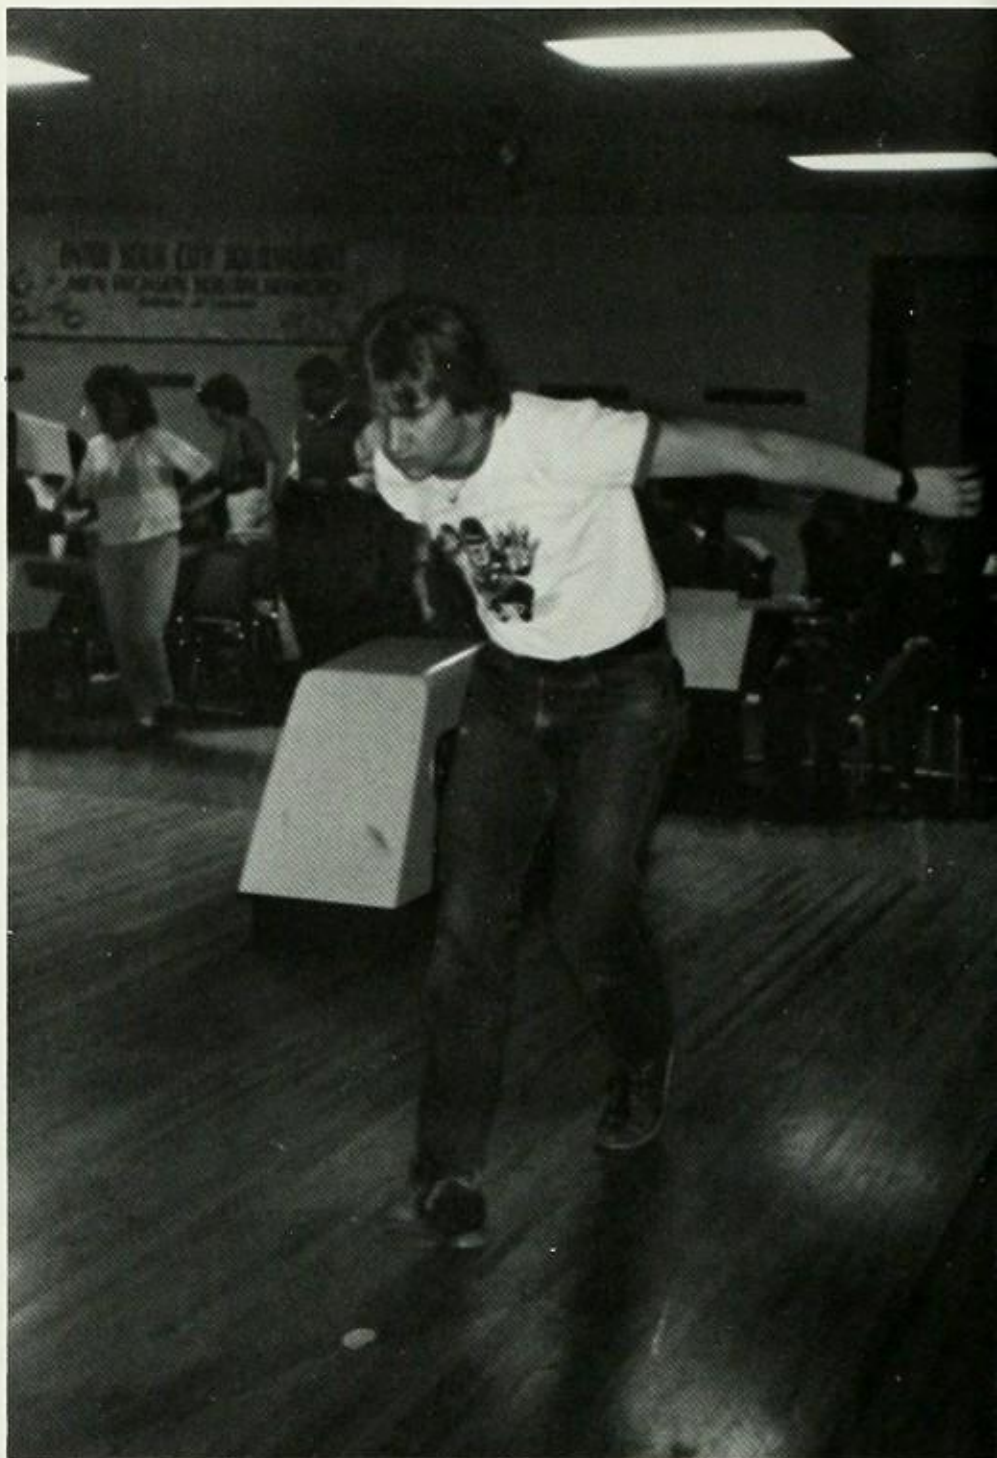

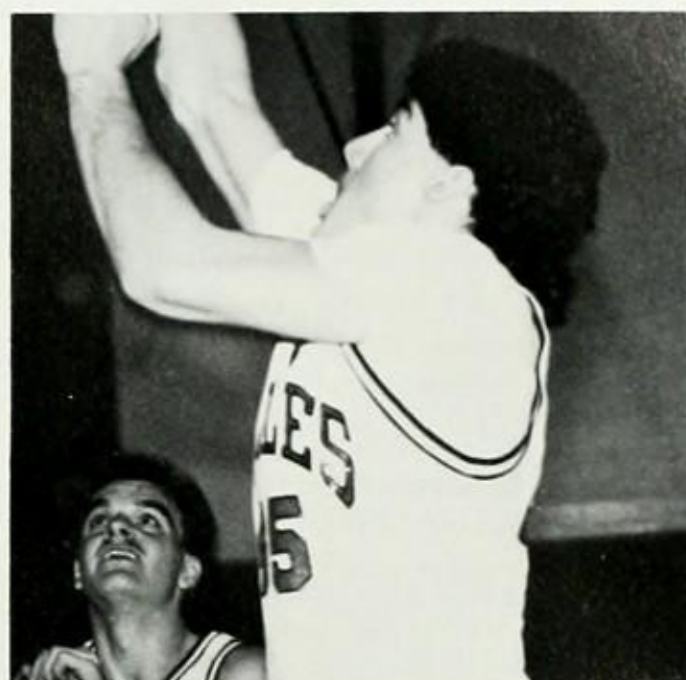

VARSITY CLUB

The Varsity Club, now in its 2nd year, became a little more organized and active in '87 as it was just reinstated in the middle of '86. The club took a couple of field trips and gave some time to gather food for the needy.

"The Varsity Club is a nice way for the varsity athletes to gain a little more recognition for the enormous time and effort it takes to be a varsity level player and still keep up their grades and other school activities." (Mrs. Maas)

Front Row: Heather Dagg, Cindy Day, Stephanie Smethwick, Amy Warner, Matt Rhyndress, Mike Swantek, Charlie Ramage, Steve Buerkel, Al Steck, Doug Brody, Derek Smitz. Back Row: Wendy Oberlee, Todd Anderson, Steve Carpenter, Bob Hutchings, Kevin Pearce, Scott Draper, Erin Lindberg, Bruce Bretzke, Vince Sielski, Matt Frantz.

LAW DAY

Twenty-one Junior and Senior students took part in Law Day Mock Trials held in Flint. Dr. Murphy and Mr. Totzke sponsored a team of lawyers, witnesses and jurors who presented their case before Judge Philip C. Elliott of the 7th District Court.

Linden's trio of prosecuting attorneys; Mike Swantek, Wendy Oberlee and Dave VanGoethem presented a convincing case to an impartial jury of high school students. Key witnesses included: Scott Thor, Bryan Wright, Jerilyn Sheyachich and Jim Krueger. Eight underclassmen acted as jurors in other trials.

In the Day's competition again Flint Southwestern, Linden got a 2nd degree murder conviction against the "accused" and tied their opponents in overall courtroom performance.

Law Day Participants were: Wendy Oberlee, Mike Swantek, Dave VanGoethem, Madeline Mueller, Dan Hench, Scott Thor, Chad Rainey, Brian Wright, Jeff Mather, Jerilyn Sheyachich, Amy Steiner, Jim Krueger, Shawn Sprague, Angie Martin, Jenny Rucker, Sue Buxton, Amy DePerro, Amy Jordan, Matt Singer, Mark Smith and Matt Frantz.

VOCAL MUSIC CLUB

The twenty-three member Vocal Music Club, directed by Mrs. Fran Nicol, worked hard by holding weekly practices for any interested high school students. Prior to Christmas the club held three performances. The first performance entertained the students at Central Elementary, followed by a showing during the high school band Christmas concert, and finished up with a White Christmas performance after the LMS Christmas Play. Mrs. Mabel Loyer did an excellent job providing piano accompaniment for all three of the clubs performances.

Larry Diamond: "I participated in the Vocal Club because it was important to the school and the students to show that there is more talent in Linden than just sports."

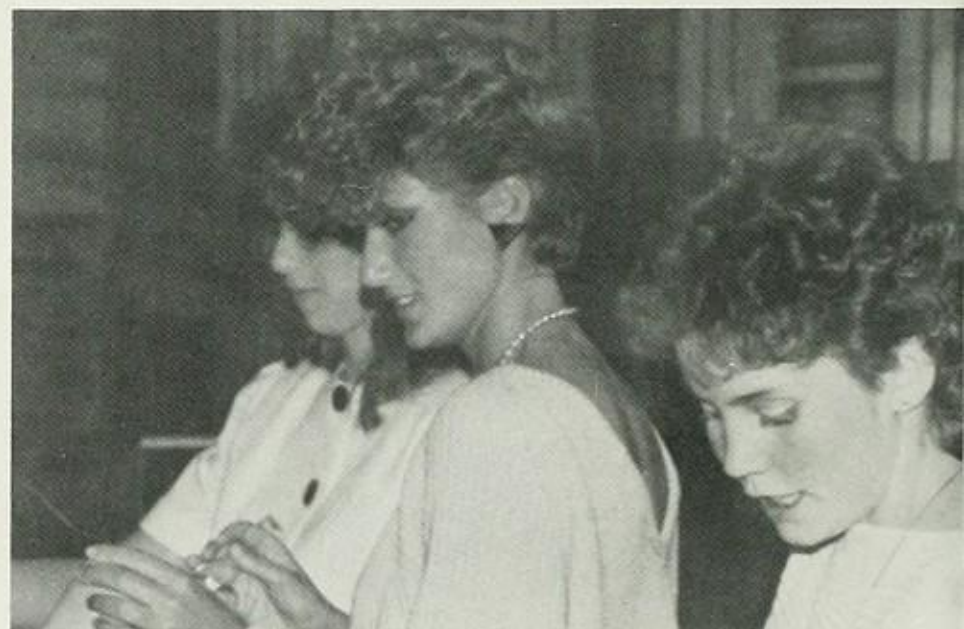

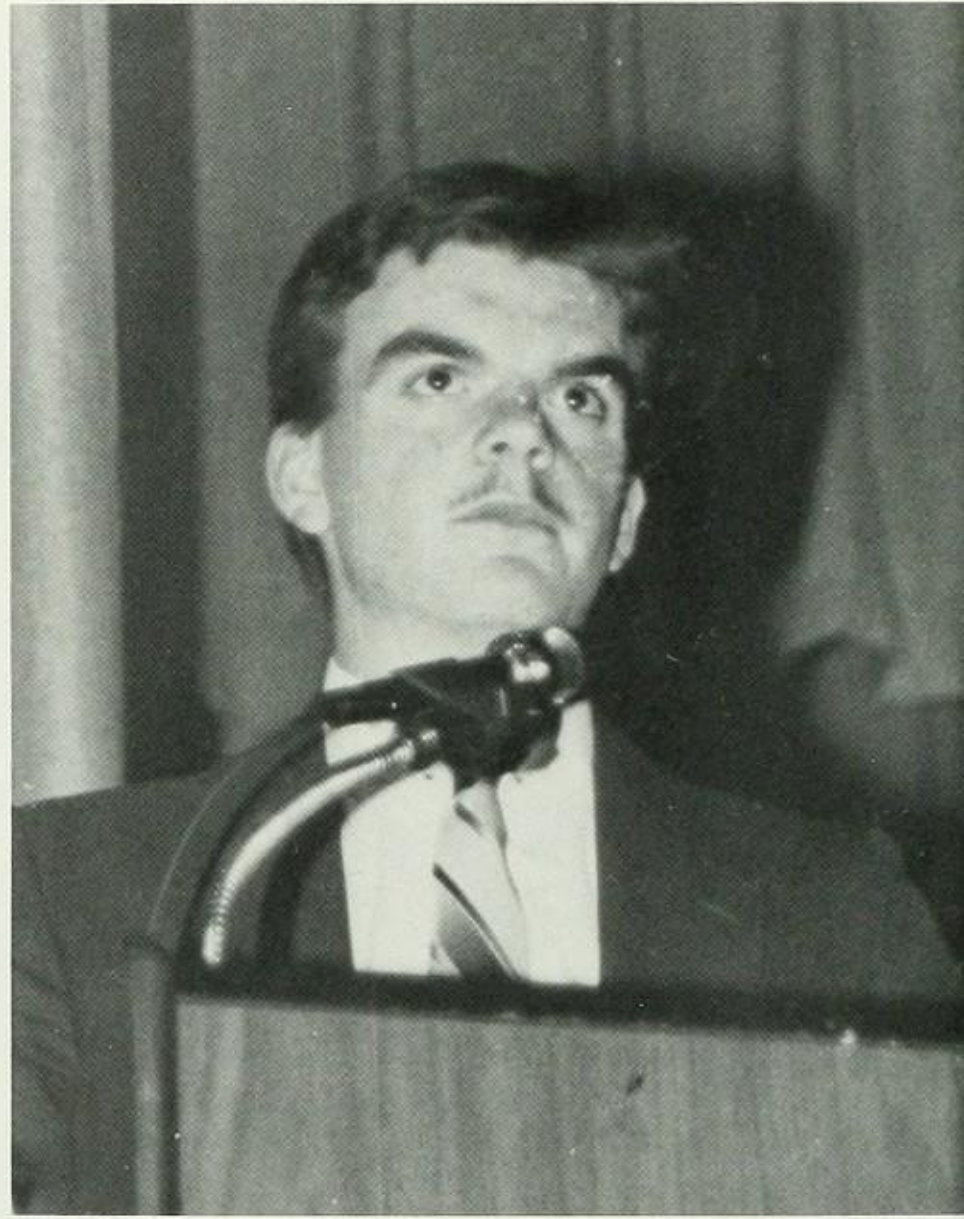

Back Row: Julie Blankenship, Karyn Blankenship, Joseph Coloff, Karen Anthony, Jennifer Evans, Amy Ryan, Tammy Curry. *Front Row:* Colleen Nicol, Larry Diamond, Chantel Chrispell, Craig Butler, Teresa Proseus. *Seated Front:* Kelley Dickenson.

NHS

The 1986-87 National Honor Society was led by Miss Judy Stoeri and Dr. Thomas Murphy. Each year the NHS consists of only those students whose qualifications meet strict guidelines. Senior Members must maintain a 3.2 GPA while junior members must meet a 3.3 minimum. NHS members must earn sixteen service hours by tutoring, aiding teachers or by doing community service.

Senior Members: Joe O'Brien (President), David VanGoethem (Vice-President), Tonya Gillespie (Secretary), Wendy Oberlee (Treasurer), Jennifer Armstrong, Heather Dagg, Lisa Decheim, Wendy Drabik, Terri Hetherington, Jim Krueger, Cynthia Lake, Gleen McRill, Kelly Neadeau, Stephanie Smethwick, Susan Walter, and Bryan Wright. *Junior Members:* Matt Frantz, Dan Hench, Brandon Lilly, Angelina Martin, Madeline Mueller, Jennifer Rucker, Amy Ryan, Tim Smeets, Jennifer St. Pierre, Scott Steelman, Amy Warner.

STUDENT COUNCIL

This year's student council, supervised by Mrs. Anis-Jones ran many activities during the 86-87 school year. Some of these activities included dances, the blood mobile, talent show and teacher appreciation week.

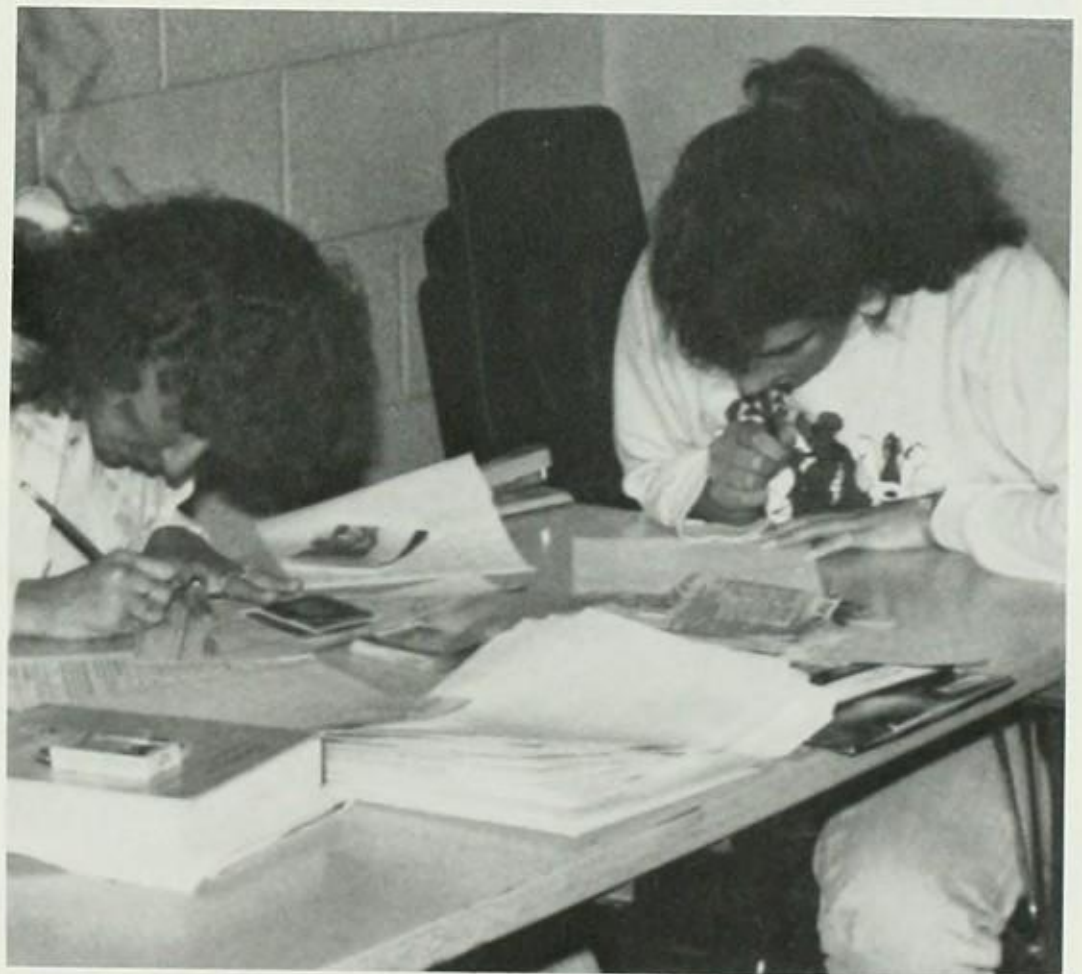

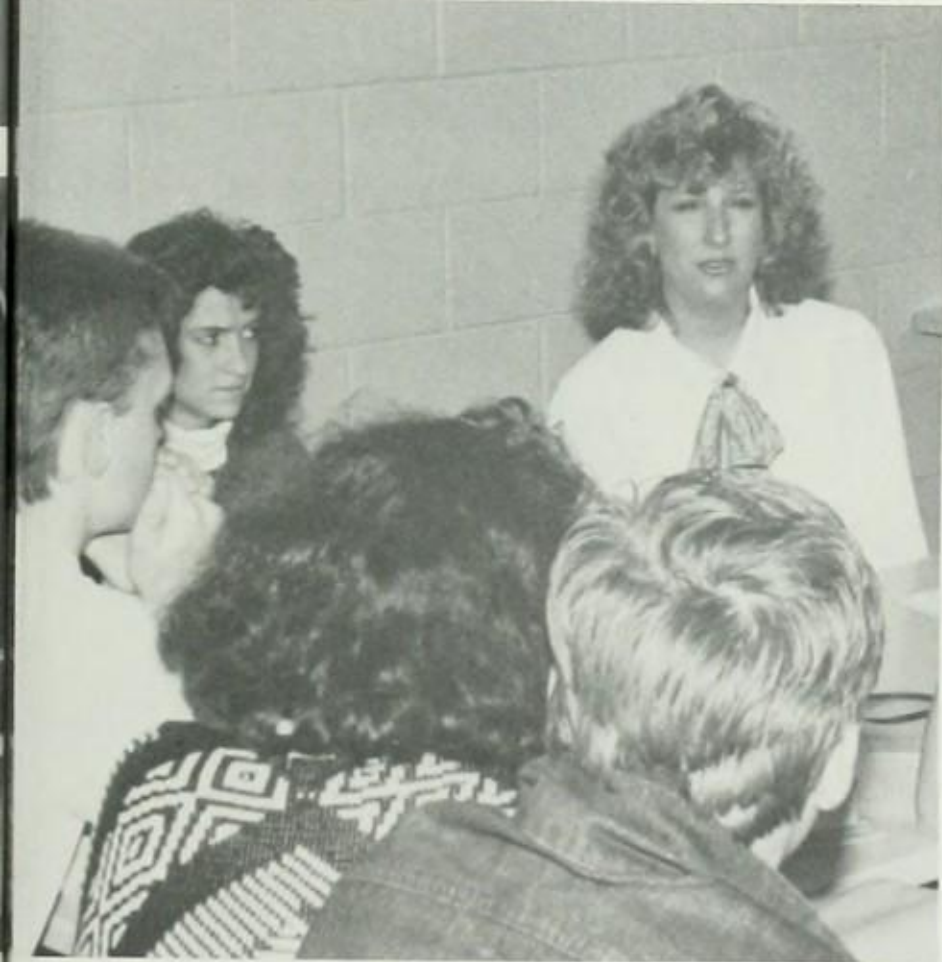

Student Council Officers: President — Todd Anderson, Vice President — Steve Carpenter, Secretary — Kelly Neadeau, Treasurer — Tina Meek.

Seniors: President — Lisa Earl and Rod Amos, V-P — Heather Dagg, Sec. — Nancy Orr, Treas. — Glenn McRill, Reps. — Laurette Morton, Cindi Day and Kim Brinch.

Juniors: President — Wade Pyles, V-P — John Revers, Sec. — Alisha Rodgers, Treas. — Todd Cheladyn, Reps. — Scott Steelman, Hilary Reddy and Don Hensch.

Sophomores: President — Jim Gordon, V-P — Mike Kidder, Sec. — Michelle Gentry, Treas. — Gordy Plummer, Reps. — Sue Vessey, Amy Digiambattista and Kelly Dickerson.

Freshmen: President — Krista Weaver, V-P — Debra Watrous, Sec. — Jeni McKinnon, Treas. — Becky Smitz, Reps. — Kristi Lefurgey, Maria Woodbury, Dawn Long.

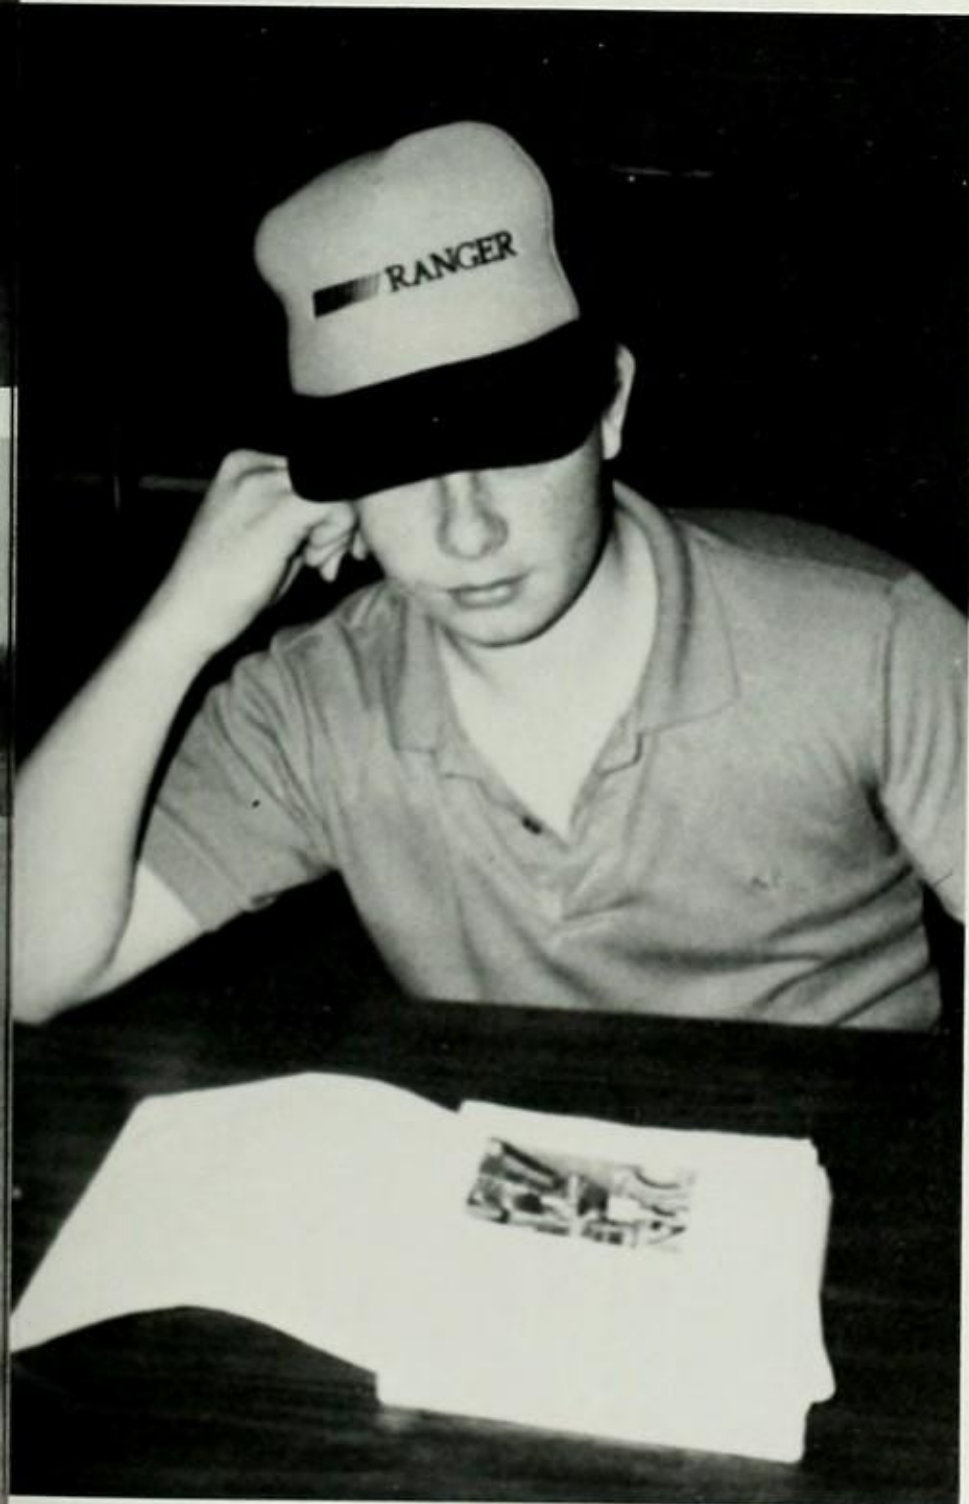

DRIVERS ED

Completing the drivers education program is a tough road to follow for most of the participating students. The students must spend 30 hours in the classroom and 6 nerve-racking hours on the road with an instructor. To warm up for the road test, the students are allowed to practice with the parents before hand.

A special addition to the program this year was a movie called "Amber Lights" which gave the students a little shock treatment about the dangers of careless driving.

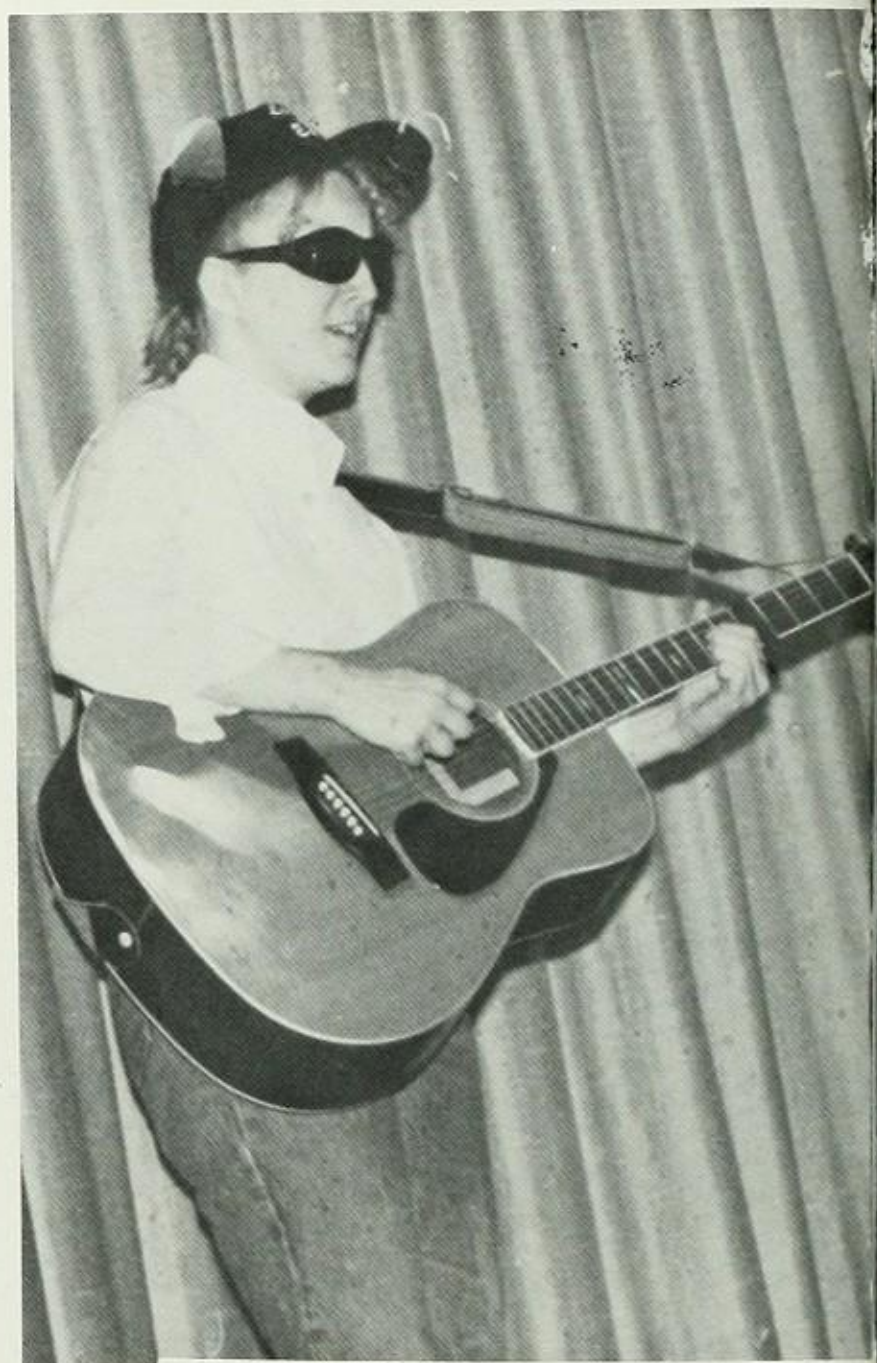

TALENT SHOW

The 1987 talent show featured many fine talents. Hard work and several days of preparation were put into this years talent show. The show featured musicians, singers, a gymnast, and comedy acts. Mr. Maas, Mr. Foley, and Mrs. Hayes got things rolling with their "Heard it through the Grapevine", called "Heard it Through the Pipeline". Then came the two rock bands, and Chris Loomis singing a solo.

The two winners of this years talent show were gymnast Lori Tercha, and pianist Tyler Tunningly. These two then went to the Metro league talent show to compete against talents throughout the schools in the Metro league. This year's show was a great success for the participants, and for those who watched.

VOCATIONAL EDUCATION

WORKING
LEARNING
HAVING FUN

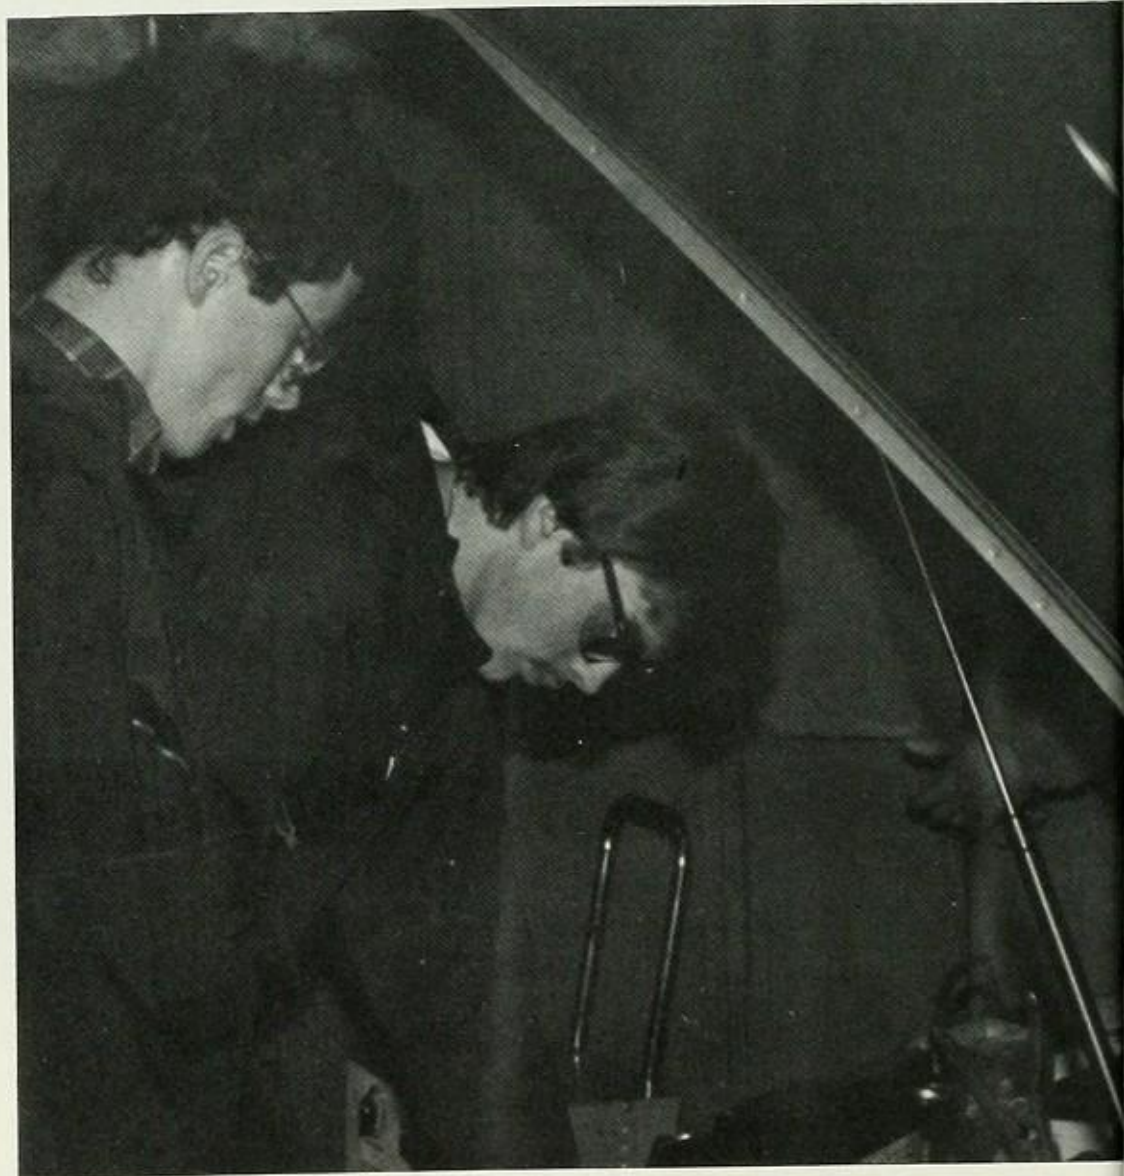

Though hit hard by budget cuts, Linden in combination with ITC and the Skill Center is still providing the students with a wide variety of vocational programs. Some of the programs include Auto shop, auto body, secretarial, marketing, graphics and design, welding, house building, accounting, nursing and even robotics.

The students often make large sacrifices to take these types of classes as they are frequently offered only at certain times. Many students must leave long before the normal school day starts or return from the skill center long after their classmates are have gone home.

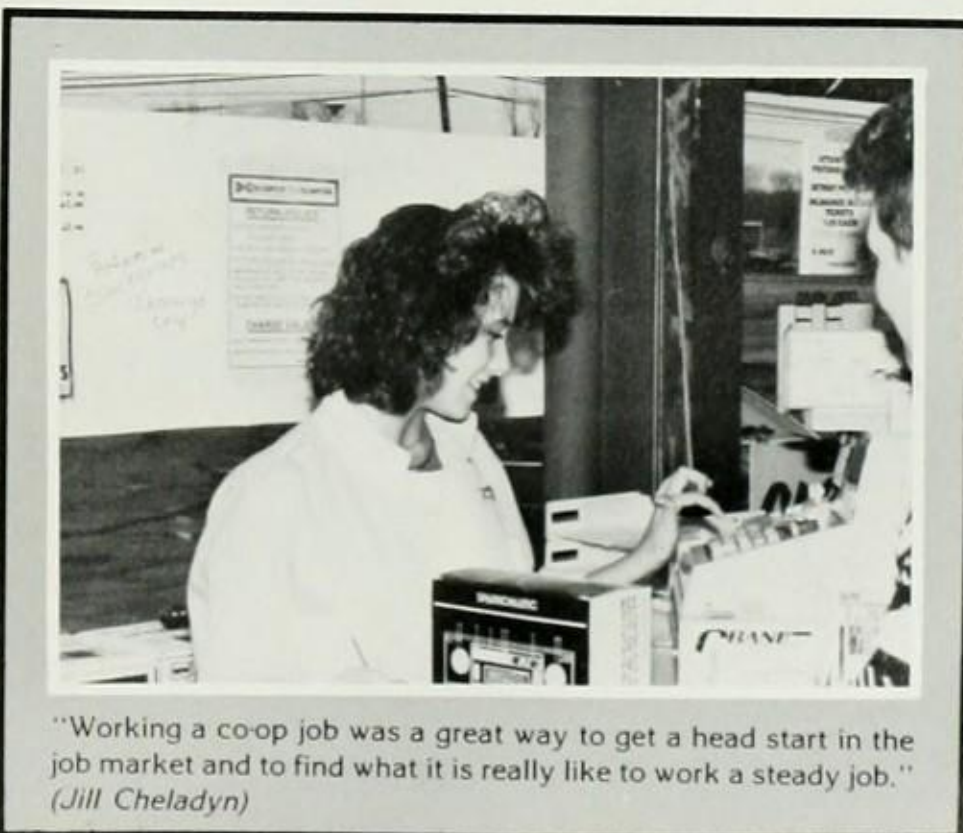

Above: Rachelle Grubb receives award for her work in the area of graphic arts and design.

Top: Karen Verrel places in accounting competition.

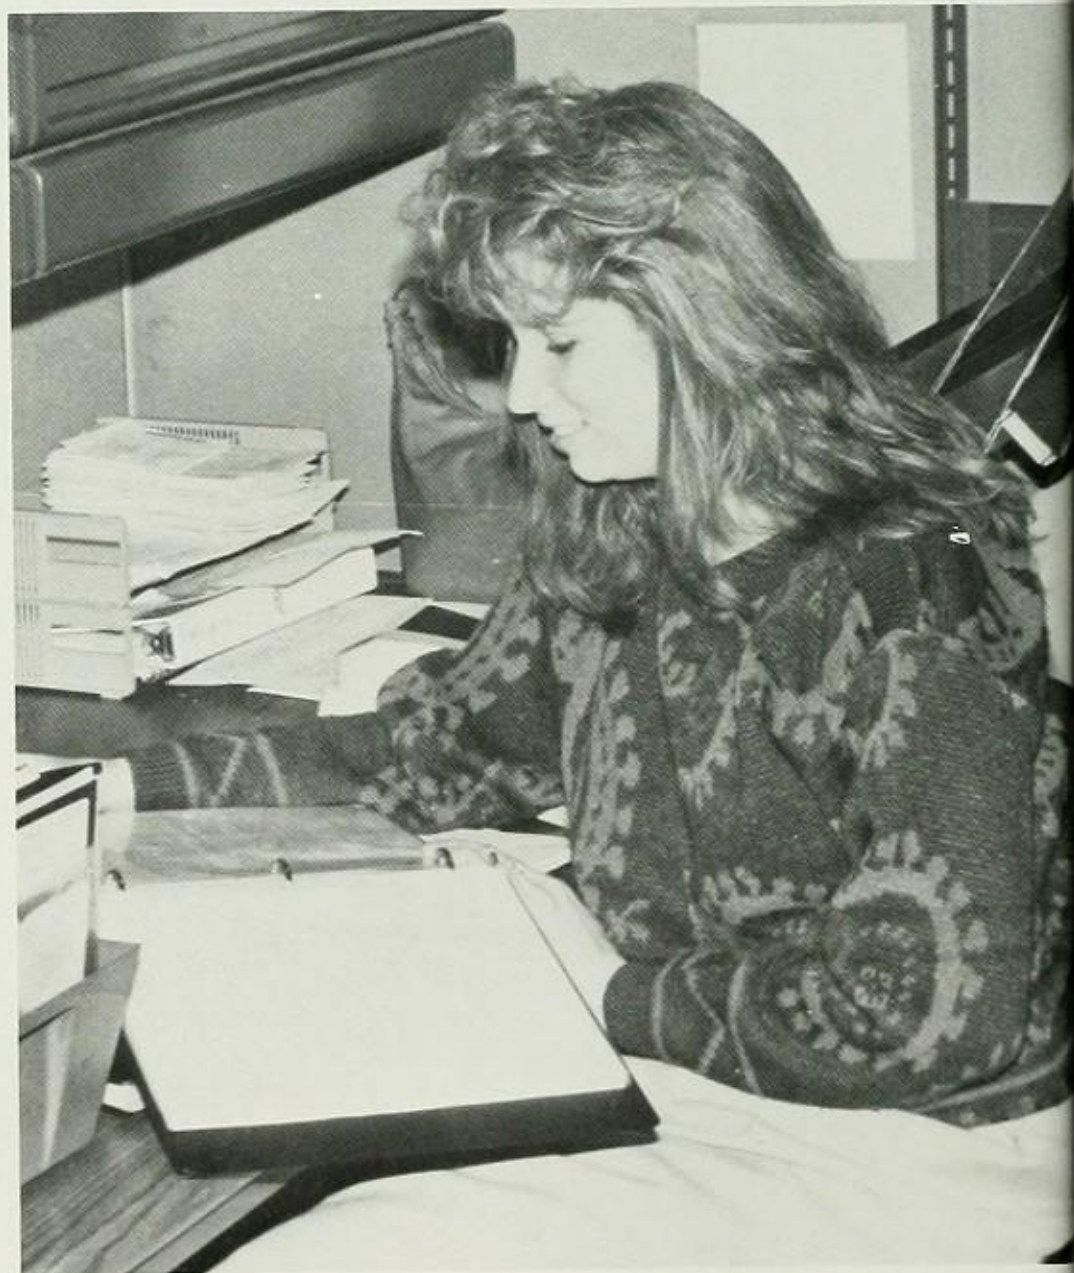

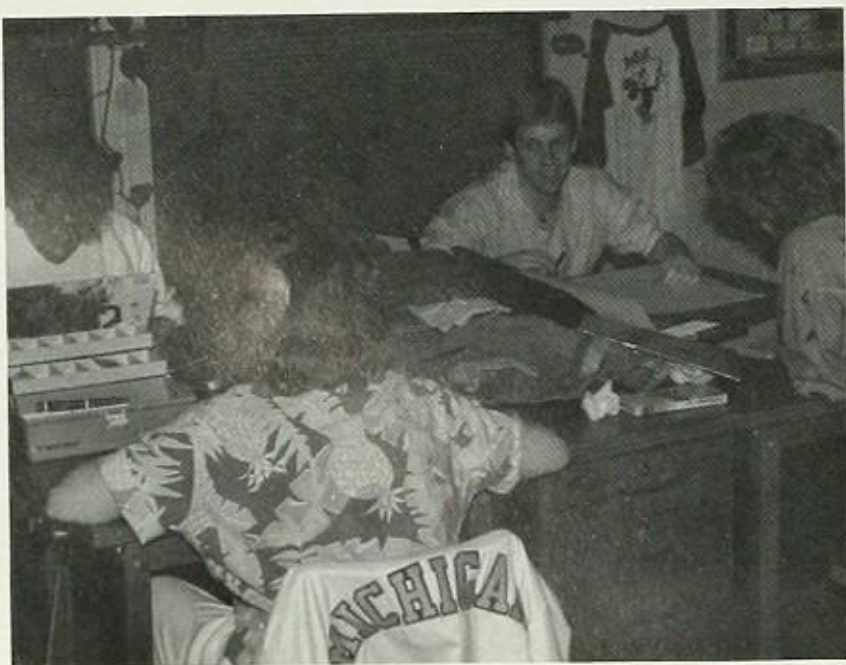

Tony Blom is honored for being the top driver for the ITC Auto Club.

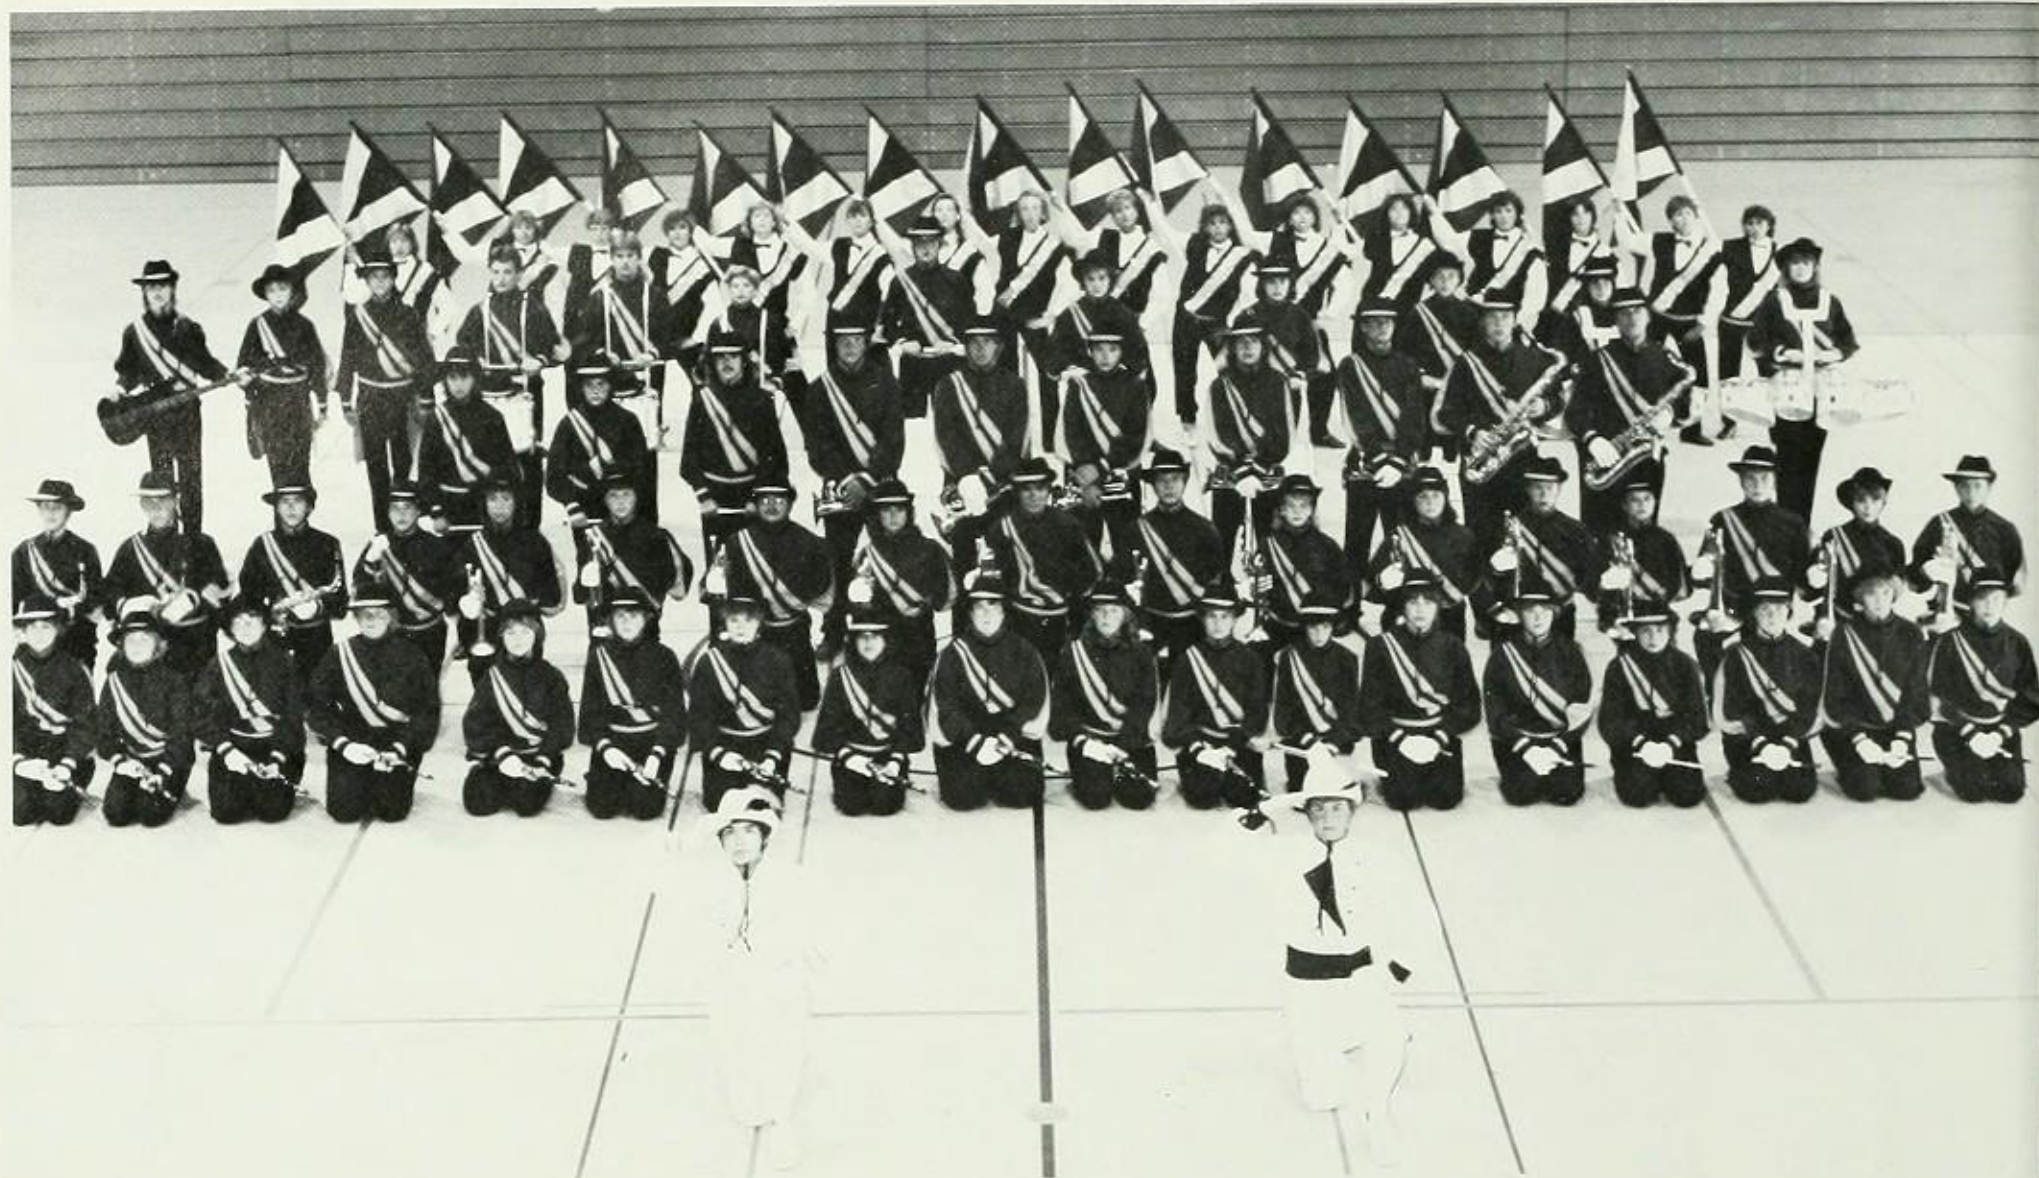

*"Working a co-op job was a great way to get a head start in the job market and to find what it is really like to work a steady job."

1st IN STATE

It all began on September 20 when the LHS Marching band won the Lukers Invitational in West Bloomfield. Lindens score of 50.3 was a record breaking score for an opening invitational. Five bands performed with Linden in Flight III: Livonia, Franklin, Trenton, Beecher, and Montrose. Then on September 27, the band won the Bridgeport-Spaulling Invitational, taking a first place in the drum major, brass and winds, marching and maneuvering, and a first place overall, with a score of 61.4. On October 4, the Marching Band took first place again at the Clarkston Invitational, getting awards: Best brass and winds, and first place, with a score of 74.3. The band at this time got the idea that "nothing will stop us now", and when October 25 came along, they proved it. On October 25, the LHS Marching Band left Linden with high hopes, for today was the M.C.B.D.A. Championships, and they returned at around 1:30 AM with the Final Score of 81.3, First Place at STATE. When asked what they felt about the season only one comment came back. "The season was GREAT!"

STUDENT LIFE

TASTE GREAT

LESS FILLING

And the debate goes on as the students of LHS are in perpetual search of a great tasting lunch without all those nasty calories.

Generally, teens will eat whatever is in front of them but on occasion they seek out that special treat like mannequin quiche or they even sneak out to McD's for a Big Mac, patterned after the world famous *Eagle Burger*.

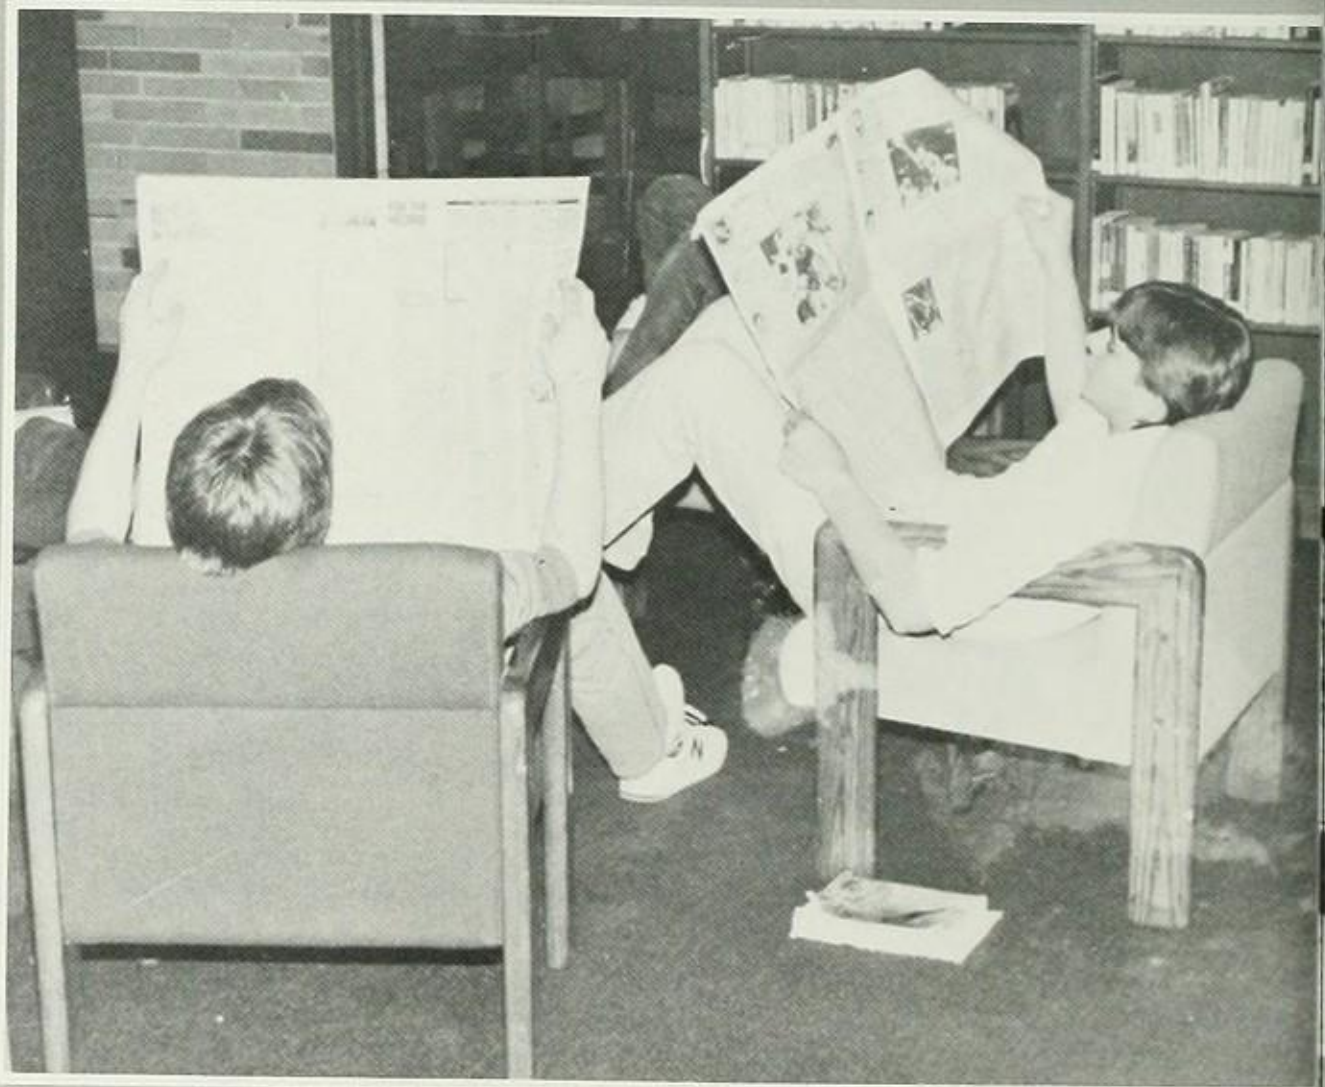

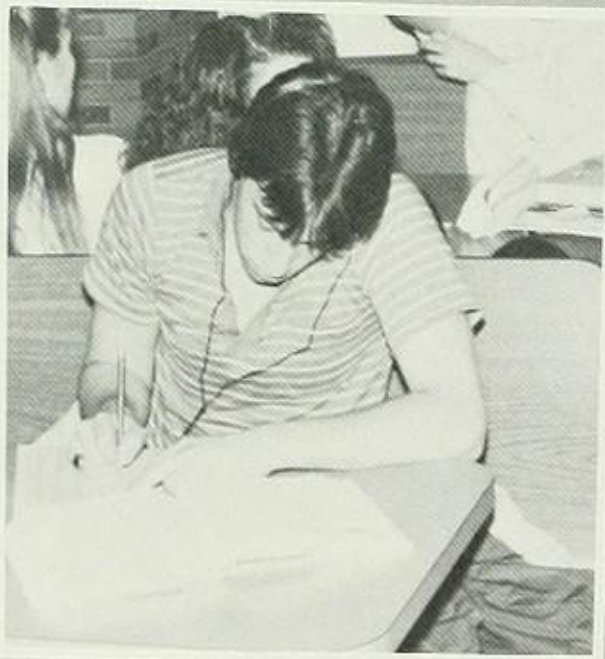

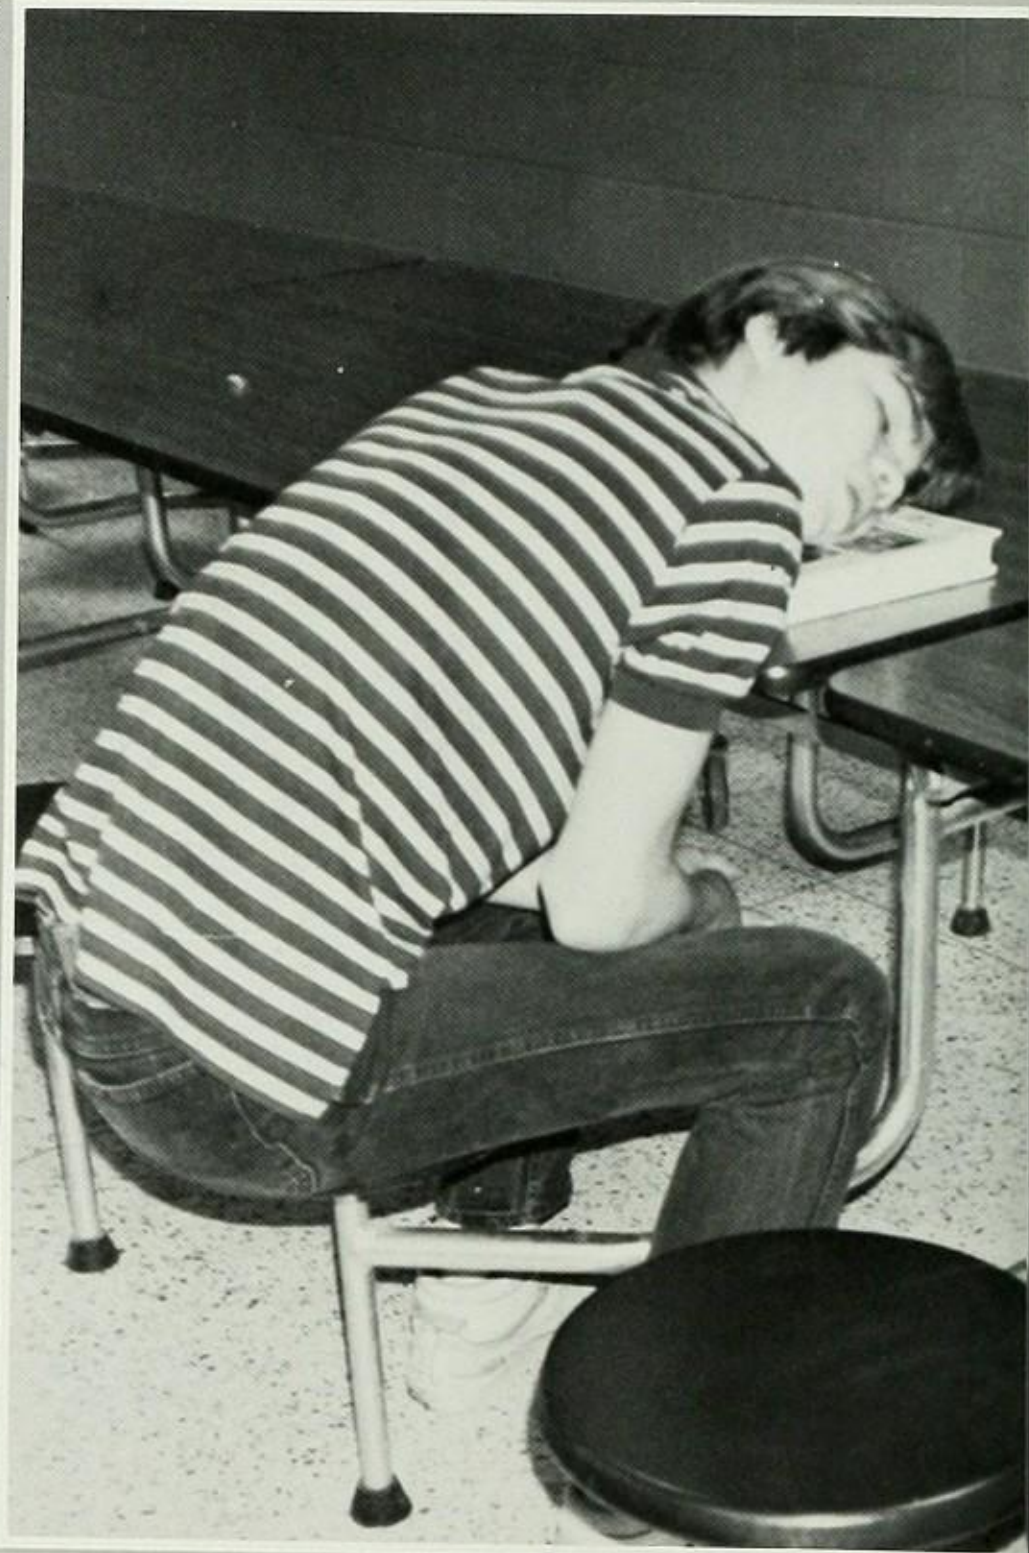

STUDY

One thing LHS students can't get enough of, is time to *study*. So they make the most of any spare time they get. And students can be found cracking those books in some of the most unusual places. Some have even mastered the technique of absorbing the material while sleeping on their books with the added advantage of having the answers imprinted on their face just before the big test.

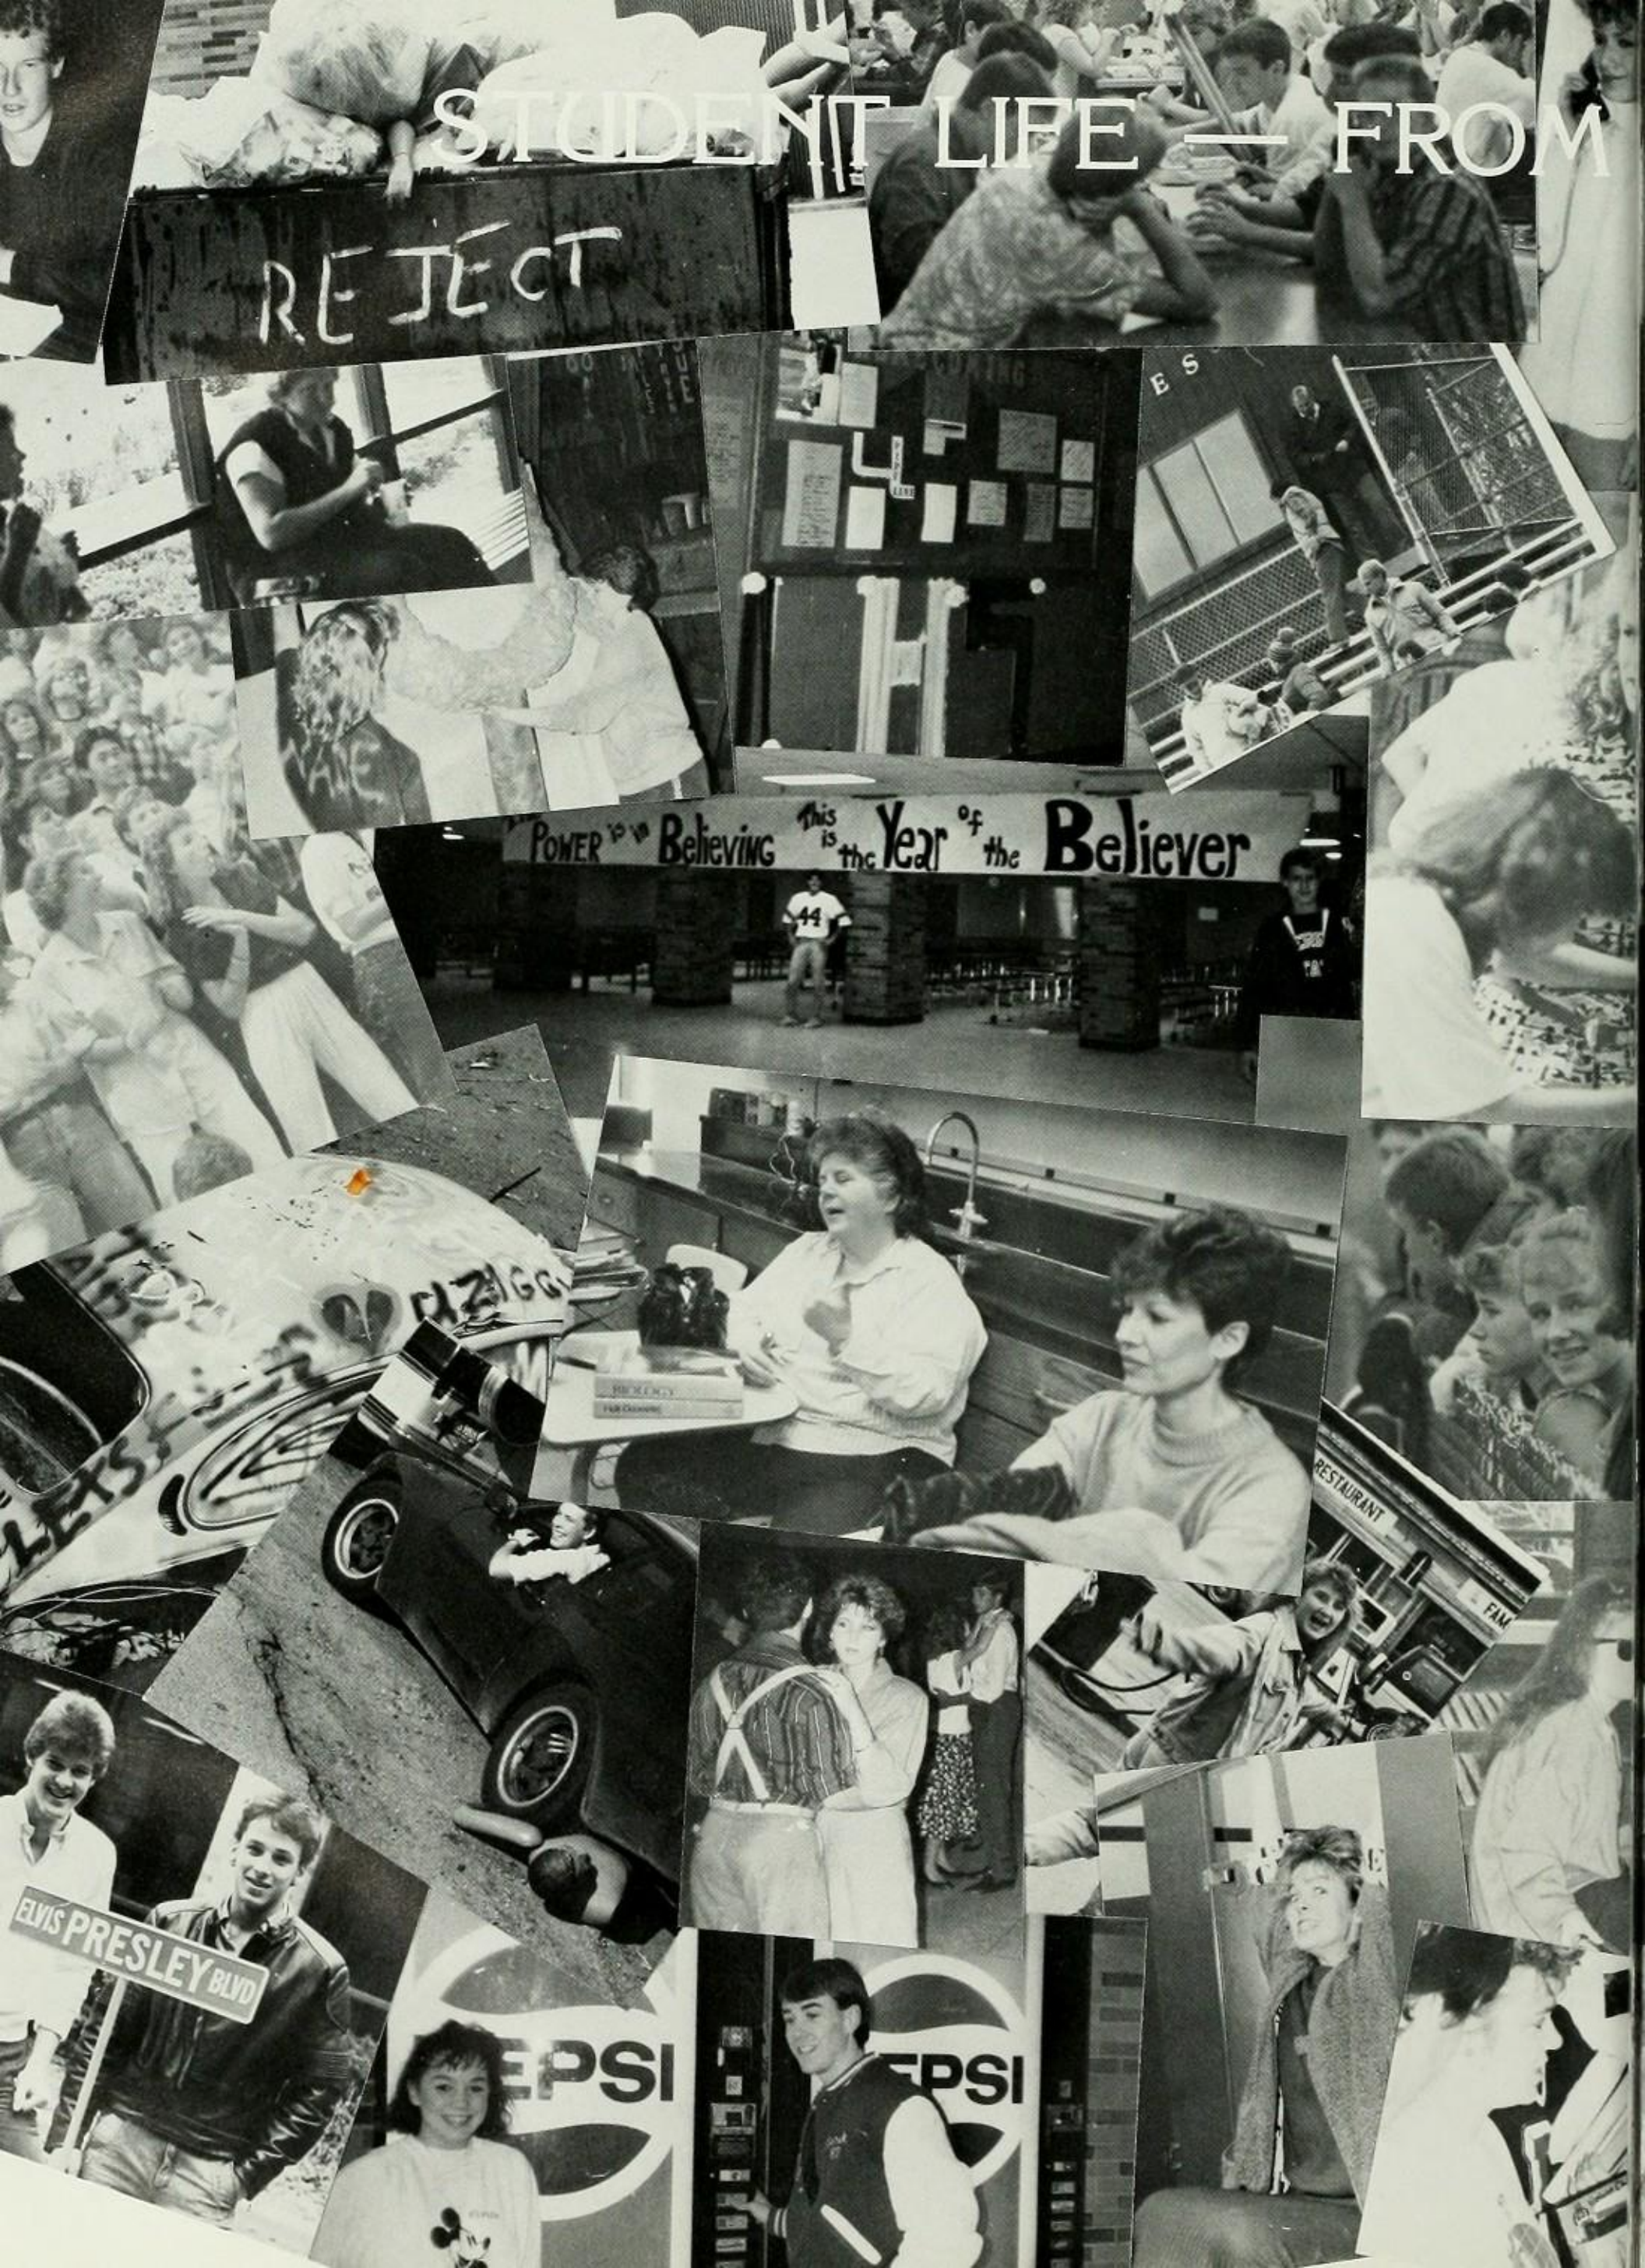

Of course the hallway is always conducive to good study habits. But even in the quiet of the media center Glenn McRill can be stumped to find North America as he buffs up for a High School Challenge Meet.

But for real solitude Bob Mannequin often retires to the confines of his locker in order to be *at one* with his favorite social studies text.

As coach Ron Eltringham put it, "The season was very enjoyable, the team was very coachable and they wanted to succeed."

The Linden Eagles Varsity Football team had been picked to win the league from the start. An opening loss to Oxford 24-26, put some doubts in the minds of Eagles fans. The Eagles soon recovered as they won the next game against Lapeer East, 27-12. Linden got back on track to a title season against Holly holding the Broncho's to a slim total of 104 yards. "The Goose Egg Defense" started in the third quarter of the game and the mighty defense would not be scored upon for another 17 quarters.

The Eagles totally overpowered the Lakeville Falcons, holding them to only 46 yards of total offense and our offense scored 22 points in the games first 10

minutes. Fans were being turned away at the sellout crowd between arch-rival Fenton. The shutout streak came to an end, but the Eagles winning record continued with a surprisingly large win with a score of 45-28, stopping the four year losing streak. Bruce Bretzke had an outstanding performance scoring 3 TD's and intercepting 2 passes. The next game was very important to the Eagles, they needed to win so they could keep their playoff hopes alive. Although the team was short a few players due to injuries and illnesses they played an outstanding game, winning over Ovid-Elsie 34-14. It all came down to the last game against Mt. Morris. One of the biggest calls of the year was when Bruce Bretzke's 17 yard TD run was called back. The only scoring was on a field goal by Mt. Morris. The game ended with a score of 0-3, ending our playoff hopes.

How did you feel about the season?

It was a season that won't be forgotten by anybody. Lot's of action and excitement. (Rod Amos #65)

I feel we could have done better and could have played in the playoffs. (Steve Buerkel #30)

It was a lot of fun and everyone gave everything they had. (Scott Lyles #56)

I could not have asked for more. The team was a bunch of great guys and the season was a success. (John Revers #66)

I felt we had a great season, everybody put their minds to the game and we came out winners. (Pat Quinlan #71)

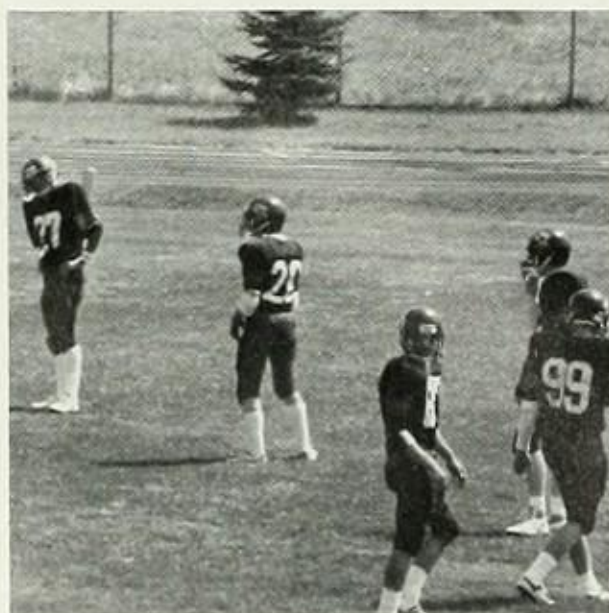

Linden was finally a threat in the league because we had a lot of talent on the team. (Doug Nunley #59)

We played as a team the whole season. With a record of 7-2, that is not bad at all! (Paul Steck #21)

After all the hard work everyone put in, it's great to do as well as we did. (Ed Kupper #92)

J.V. EAGLES

SHOW STEADY IMPROVEMENT

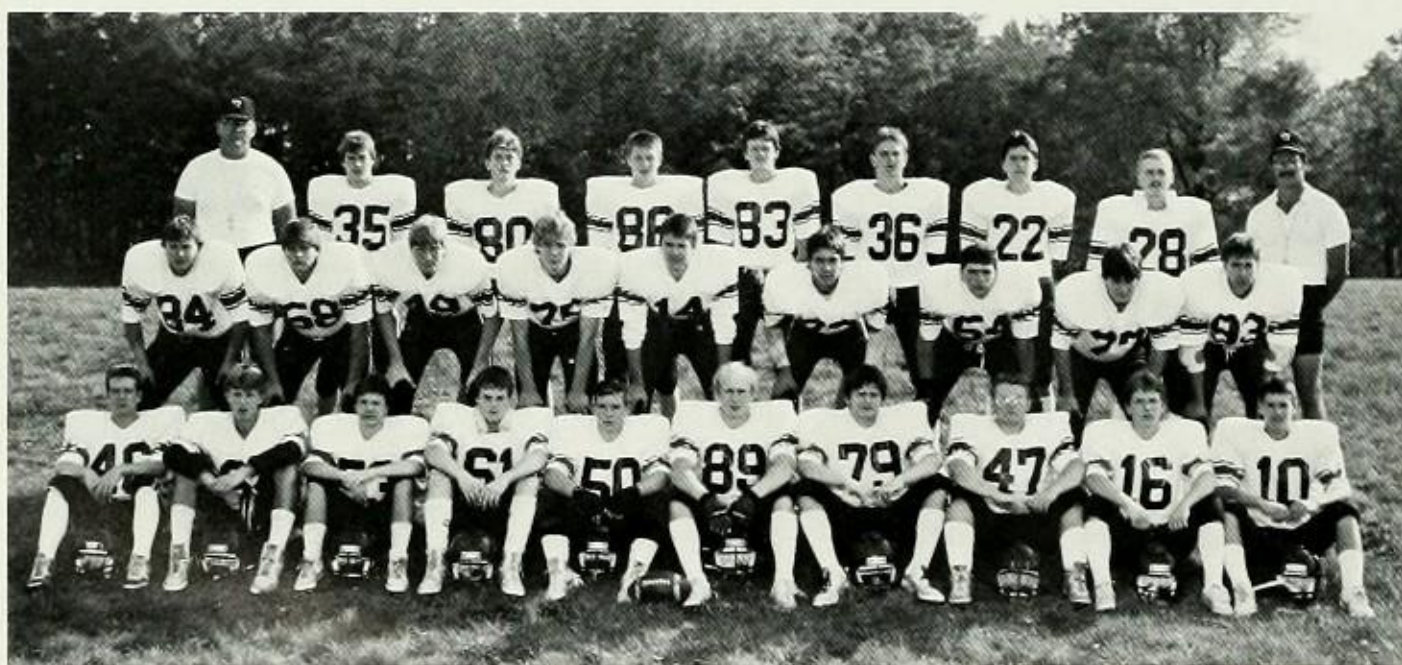

The J.V. Eagles started with two losses then came back to win their next two games by shut-outs. The game at Holly was the first win of the season. The game brought the team together as a unit and gained a great deal of confidence as they won 14-0. They traveled to Durand the next week and played a great defensive game with another shutout 6-0. The game winning touchdown came on a 4-yard run by Gordie Plummer. As one player put it, "They were really good games, we played the best we could and we won."

The Oxford and Mt. Morris games were close. They lost to Oxford in the final six minutes of the game, 14-0. The game was deadlocked 0-0 into the fourth quarter when Oxford scored the first touchdown of the game. The Mt. Morris Game was also a heart-breaker. They lost 22-20 in the final minutes of the game. The game was a hard fought game all

the way through. They gained an enormous amount of pride and confidence. As Jeff Warner put it "If we could have played just a little bit better and longer we would of pulled it out."

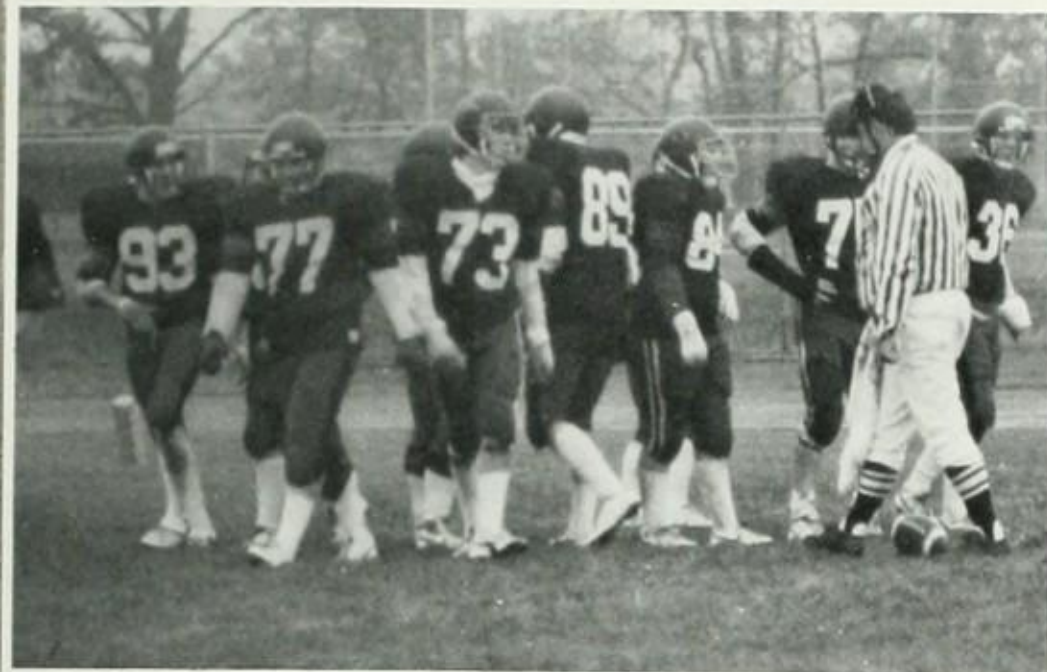

The defense was led by Neil Huyck with 49 solos, 54 assists and 3 fumble recoveries. The rushing department was led by Jeff Warner with 55 carries for 300 yards. The passing offense was led by Ted Kramer who completed 42 of 100 passes for 604 yards. Most of them went to the leading receiver Chris Franks who caught 32 passes for 471 yards. The scoring on the team was led by Jeff Warner with 6 touchdowns and 2 extra points.

Coach Porter's comment on the season "This year's team was a hard working group that showed steady improvement."

Front row: Travis Stack, Tim Kelly, Ryan Mann, Mike Ward, Tom Herford, Neil Huyck, John Fish, Matt Spiegel, Jim Gordon, Jeff Warner. Middle row: Scott Bucknam, Mark Rupp, Matt Ferguson, Mike Huff, Ted Kramer, Paul Oberlee, Kevin Powell, John Kenley, Randy Reynolds. Back row: Coach Porter, Kevin Mattson, Kevin Neadeau, Chris Franks, Dave Malinowski, Mike Kidder, Mark Feetham, Gordie Plummer, Coach Rossiter.

How did you feel about the season?

"I think we could of have won some more games, but we learned how to play like a team." (#10 Jeff Warner)

"I feel that it went pretty good and that we improved a lot since last year." (#14 Ted Kramer)

"I thought it was much better than last year. We proved we could win if we all played as a team." (#50 Tom Herford)

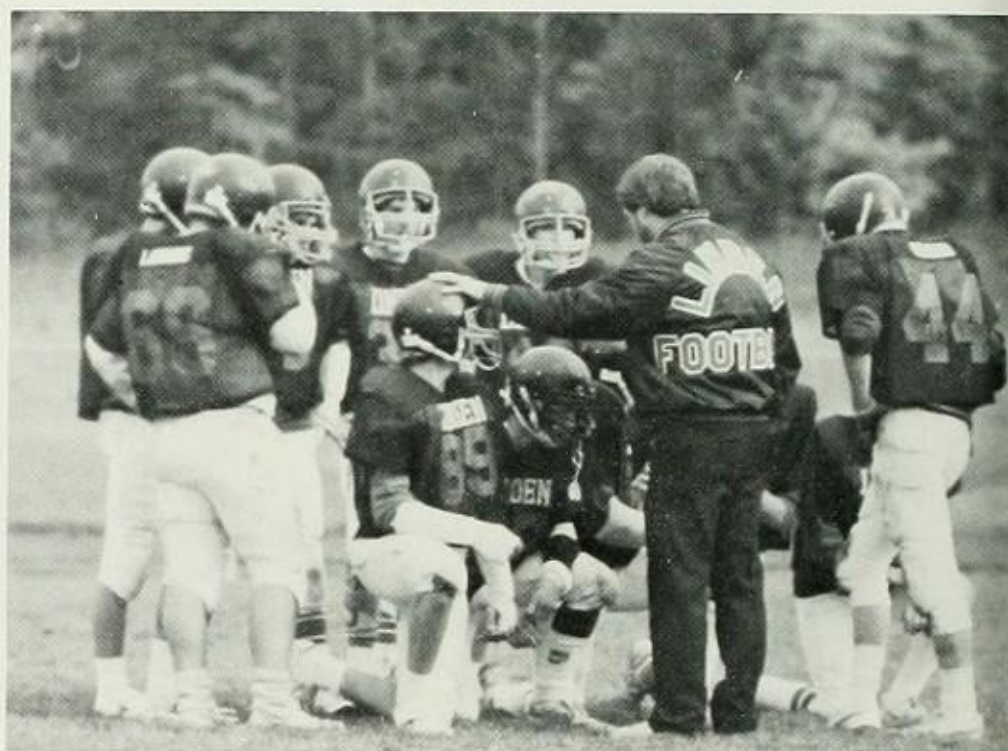

"The team really grew as a unit. By the end of the season they believed in themselves and believed in their ability to the point we should have beat the #1 team in the league." (Coach Rositer)

"I felt the team improved 100% from game one to the last game." (#22 Mark Feetham)

DEFENSE, DEFENSE

END ZONE IS HARD TO FIND AGAINST FRESHMAN

The freshman football team started their season out with high expectations as they had one of the largest teams in the league. Their size and defense overpowered many opponents and the best games of the season featured great defensive efforts. One of those exciting defensive efforts came against Lapeer East. Linden was ahead early in the game, but got behind in the third quarter. Lapeer East was on their way to score again, when John Van Geothem ran the length of the field to make a touchdown saving tackle. The Eagles then moved

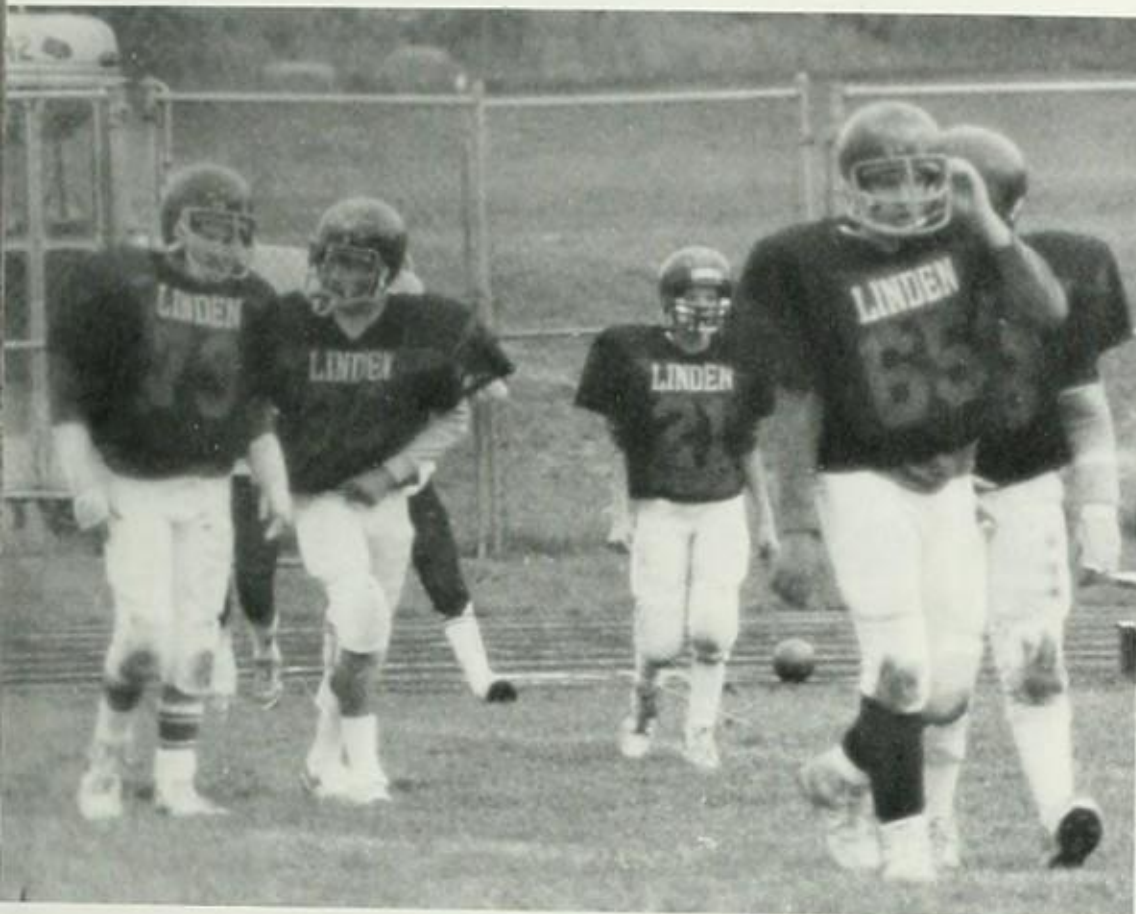

the ball down field with only three minutes left, with time running out, Jim Holsinger grabbed a pass from Todd Sexton and ran fifty three yards for the winning touchdown.

Also, in the Durand game it was a defensive show. Both teams were an even match leaving the final score tied 0-0. The only offensive spurt from Linden came a 30 yard run by Todd Brown. Linden was still unable to penetrate past the 17 yardline. In the last game of the season at Mt. Morris, coach Brown said "We wanted it bad".

The opening kickoff landed in the arms of John Dotson who carried it 60 yards for the first touchdown of the game. The defense again came through as they recovered four fumbles on the way to a 34-13 victory.

Awards were given out by the team players to Todd Brown for outstanding back who gained over 700 yards in total offense. Jim Holsinger was picked for outstanding lineman of the year, and the coaches chose Wade Goble for most improved player.

What will you remember most about the season?

"When I received my first touchdown against Lapeer East." (Todd Brown)

"When we played our last game and beat them bad." (Mark Bacon)

Besides being short on victories the Lady Eagles suffered from being short on numbers, as they played the entire season with only 7 players. As Coach Raymond stated, "This created some real difficulties in both the games and practice. But Luckily we managed to stay injury free and to stay out of foul trouble for the most part.

The Eagles finished with a dismal 1 and 20 record. Despite this record captain Stephanie Smethwick said, "I felt we were competitive the whole season outside of about 4 or 5 ballgames." And for the most part they were competitive and they fell only a few points short of several victories. However, their only victory came against Holly 40-34,

revengeing an earlier loss at the buzzard 34-33. They also played perennial league champs Fenton within 2 the first encounter and lost in overtime at their place.

Another highlight came against state ranked Oxford as the Eagles put up 60 pts., more than any team in the 10 years and they played Lakeville and Lapeer East very tough at the end of the season, considering the beating they took from these two teams early on. Although improvement is not the same reward as winning, the team took a lot of pride in their effort and their never say-quit attitude.

JV'S WINLESS

The J.V. girls' basketball team played competitively in the Flint Metro League, but were unable to break into the victory column for the 1986 season.

Team spirit, good sportsmanship, positive attitudes and great efforts were the highlights of an other wise

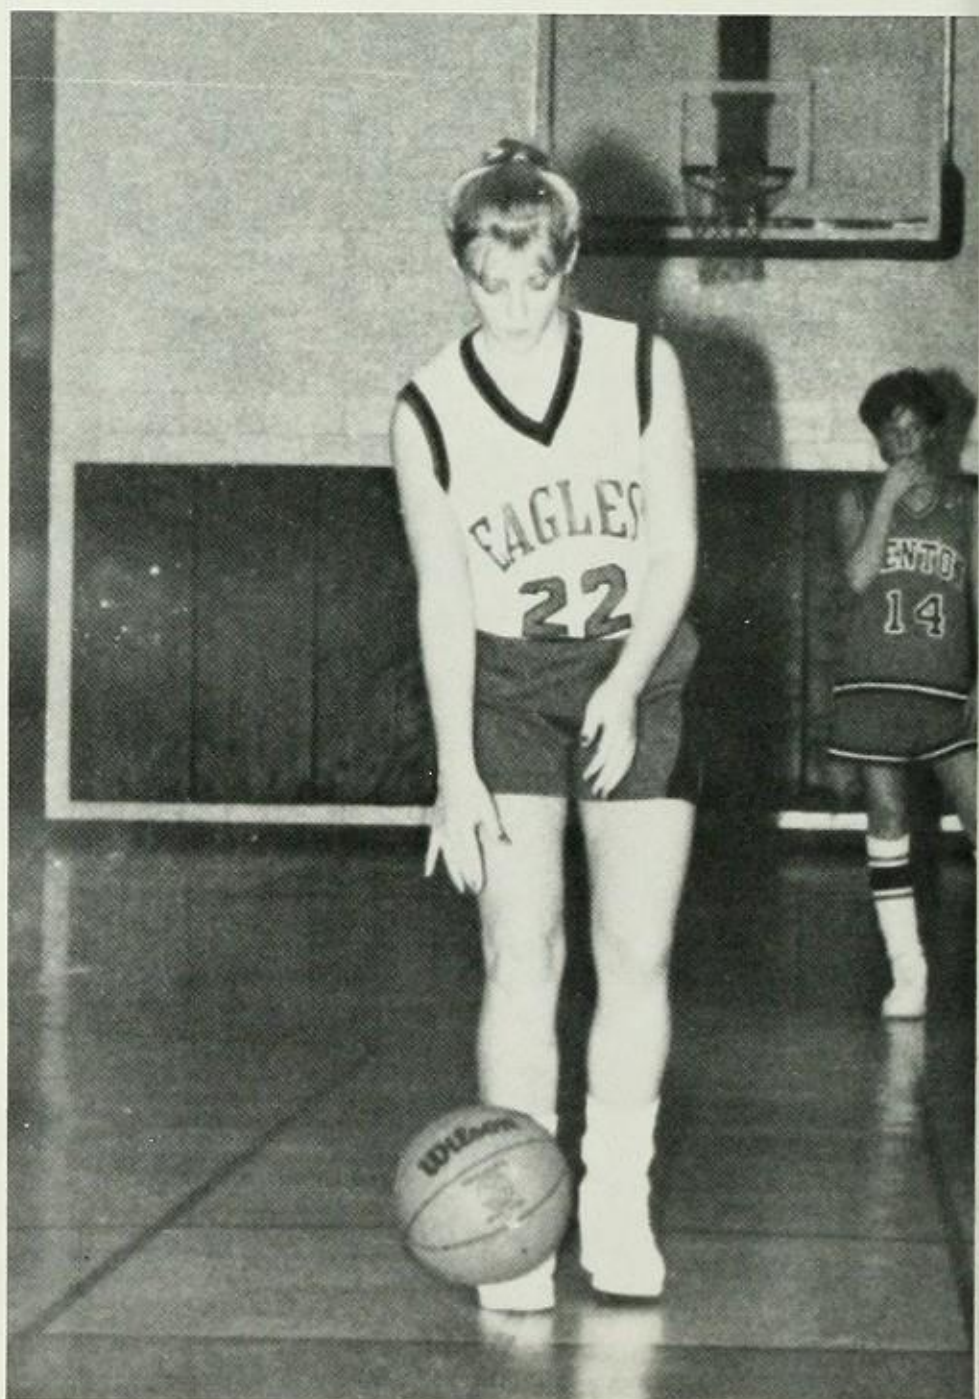

"long season". Much needed court experience was gained for the future and confidence was raised through hard work.

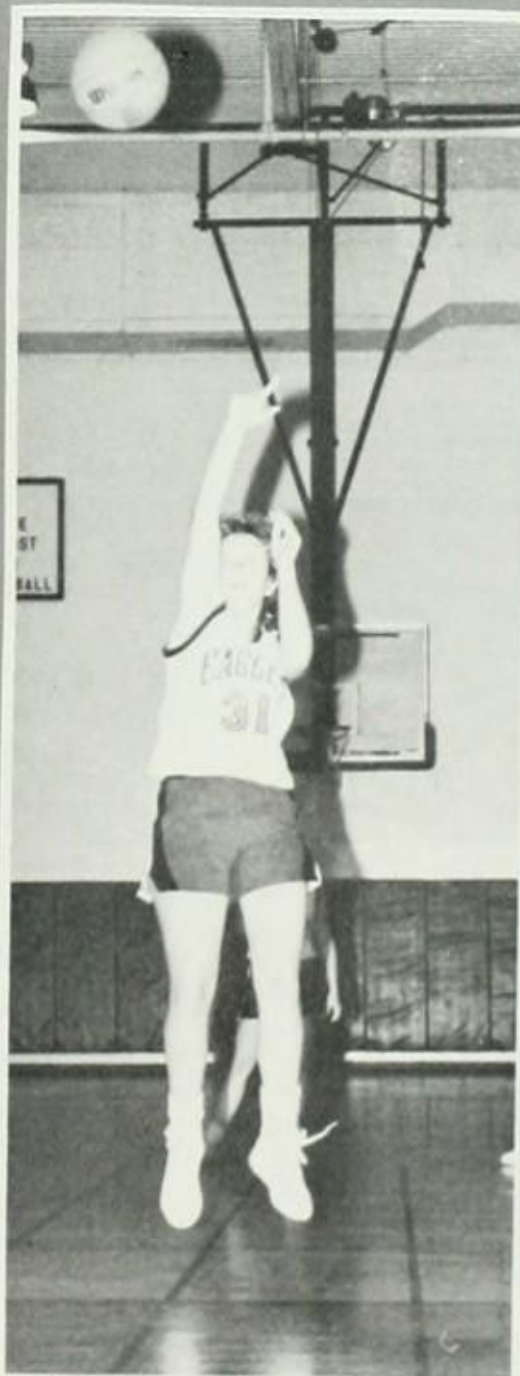

Alice McMichael was named most valuable player. Sandi Swink was awarded the Coaches Award.

A WINNING SEASON

Best In 3 Years

The 1986 Golf team shot a winning record this year. They finished 5-3 in league play and were 7-3 overall. This '86 golf team had the best record and highest tournament finishes in 3 years. The only losses of the season came from Lapeer West 176-160, Oxford 188-178, and Fenton 173-164.

The team featured many good golfers. Charlie Ramage finished the season with an average of 42.65, was match medalist 4 times, and team medalist 8 times. Ramage was followed closely by Doug Brody with an average of 43.30, and Todd Anderson with an average of 44.90. Charlie Ramage received all-league first team and Todd Anderson and Doug Brody were All-league Honorable mention. Andy Orblych received the most improved player award, and finished the season with an average of 46.57.

Dave Mikesell was not able to play this year because of injuries. A healthy Dave Mikesell could have

helped the team. When asked about the season Coach Landrem said, "I was disappointed that we did not win the league or qualify for state tournament, but was very satisfied that we had a winning record." The two most memorable matches of the season had to be the two league tournaments. The team tied for second place, one shot out of first in the first tournament. With the new way of scoring adopted this year, the Eagle team had to settle for third place in the second league tournament.

Angie Rhyndress — "I enjoyed cheering this year because camp was fun and the guys did so well."

Shannon Spencer — "Football season was really exciting for me because our guys did so well."

FUN AND HARD WORK

Early practices on hot days in an empty gym is where it all began for eight former varsity and two new additional cheerleaders.

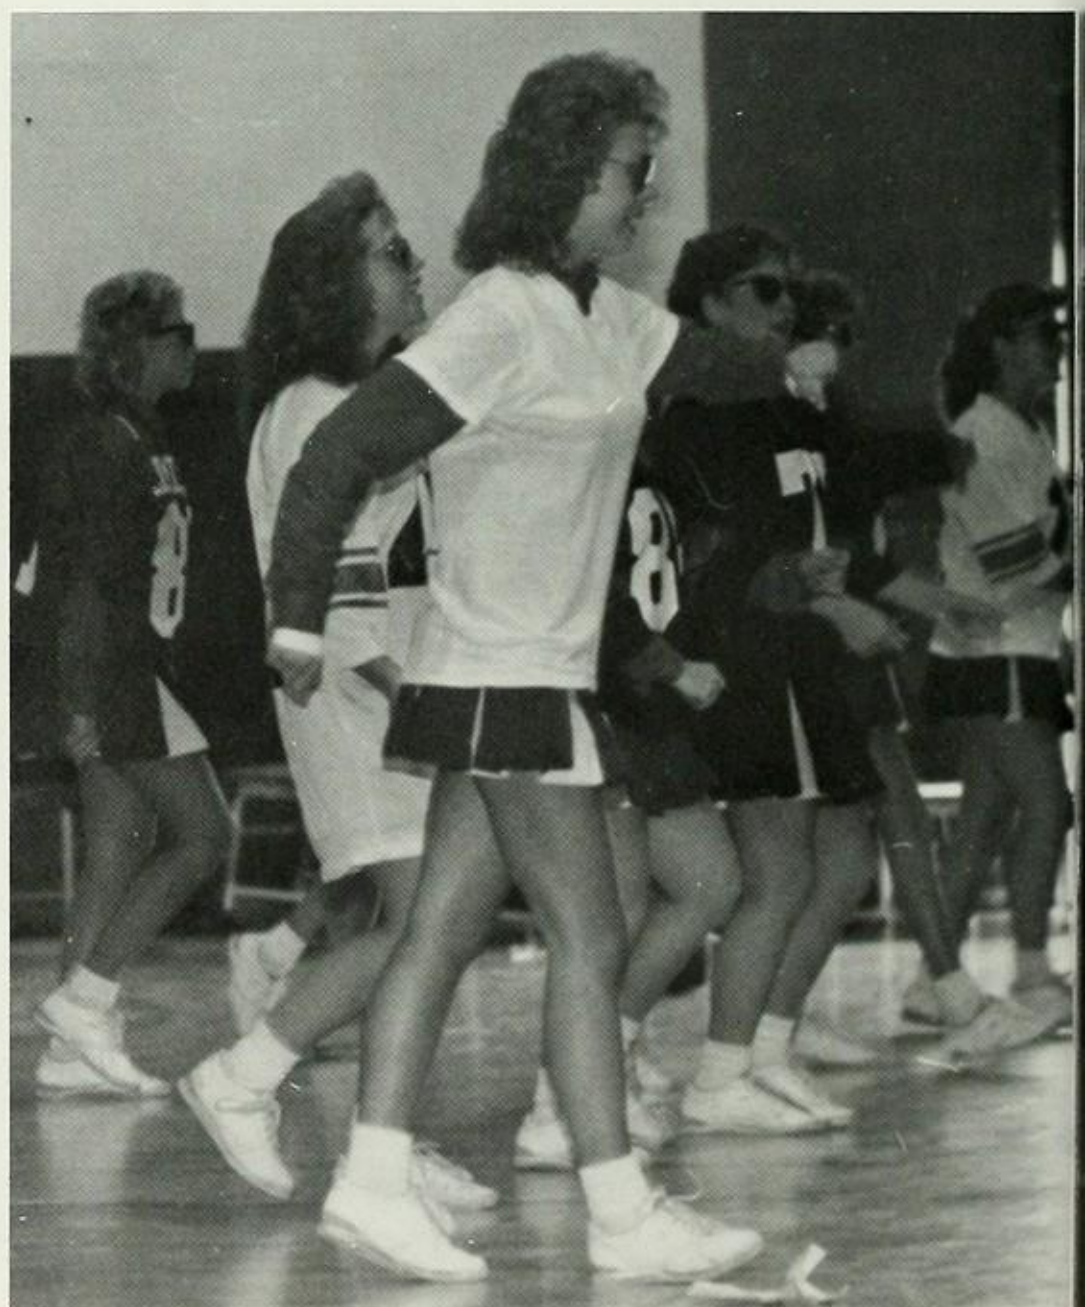

They attended Western Michigan Univ. for a three day session with the United States Cheerleading Association. They took the spirit award on the first night and four third place ribbons. Shannon Spencer earned her way to nationals with a Top Ten individual award, while Amy DePerro and Hilary Reddy made their way to the nationals with their duostunt dance routine. The girls left camp with all new material and used it with spirit to have a great season.

Setting to work on winning football and basketball seasons, they made signs, decorated locker rooms, and cheered at Pep Rallies. Those were only some of what they did, but most of all they practiced a lot and had fun.

JV CHEERLEADING

Back row (L to R) — Tuesday McColman, Laura Clemmer, Britany Kourt, Bottom row (L to R) — Kristy Lafergy, Carol Ballard, Jenny McKinnon.

Carol Ballard — "Even though I enjoyed cheering for both seasons football was my favorite."

"Work, Work, Work"

"Work, work, work!" was the cheer most often used as the season began. The hard work begins in the summer and doesn't end for most of the girls until the following March. They attended camp in Holland, Michigan where they made great progress and brought home the spirit award and a whole new line of material.

The JV's also participated in 2 other competitions and brought home a trophy for their dance routine to "Shout". Besides the competitions, practices, and games, the young squad also found time to do special things for the players and they even made time to cheer a couple of times for the freshman team.

Although several members of the squad did not complete the whole year, the team worked extremely well together and executed their cheers with spirit and discipline.

VARSITY EAGLES FALL ONE GAME SHORT.

The Varsity Eagles started their season with two non-conference wins over Hartland, 65-52, and Lake Fenton, 59-49. The next two games were disappointing to the Eagles as they dropped two non-conference games to Swartz Creek, 50-62, and South Lyon, 60-63, before the regular season.

Linden opened up the Metro League season before Christmas at Holly with a 63-49 win. Bretzke led all scoring with 20 pts. Hopkins said "After two straight losses this sure is a big win." The Eagles took over sole possession of first place with a defensive 42-38 victory over visiting Durand. The victory lifted Linden's record to 2-0 in the league. Steve Buerkel made his presence felt in the game, scoring 8 of Linden's fourth-quarter points, including all 6 tallies in the games final three minutes.

The Eagles stayed perfect in the league with a 34-33 win over Fenton. With less than 13 seconds left, Fenton took an off balance shot and missed, when Buerkel pulled down the rebound, the gym rocked like it hadn't rocked in years. The Eagles breezed through two league contests to continue their unbeaten ways, lifting their record to 5-0. They clobbered Mt. Morris 62-39, and then dumped Oxford 60-46. Linden triumphs in overtime to defeat Lapeer East 51-50. Draper's 2 blocked shots were one of the key plays in the game. Linden traveled to Lapeer West in the battle of the

unbeatens. The Eagles rallied in the final five minutes to defeat West 45-38. The win improved Linden's record to 7-0 in the league. The Eagles fought off Lakeville to stay perfect in the Metro League at the mid-way point.

The next half of the season was a rocky road for the Eagles. The first game after the break was against the Broncos. The Eagles hung on to win 55-52. The next game they traveled to Durand where they lost 51-52, ending their 9 game winning streak. Ed Kupper scored 18 points in the game for the Eagles. The Eagles next went to Fenton, losing there 44-53. The loss dropped Linden's record to 9-2 in the league, a half-game lead over West. Linden was back on their home court against Mt. Morris. The Eagles defeated the Panthers 68-46. The next game could have been considered an easy game for the Eagles with a 71-38 pounding of Oxford. The Eagles traveled to Lapeer East and defeated the East Eagles 49-44, improving their record to 12-2 in the league with the showdown with West for the title. Newman had the hot hand for West and Linden's poor shooting was the difference in the game as they lost 37-46. That ended Linden's hope for their first Metro League title. The Eagles record was their best since they joined the Metro League.

J.V.'S FINISH STRONG

The 1986-1987 Linden J.V. basketball team is a tale of two seasons. Starting the first half of the season with a low 2-6 record, this group of athletes tightened up their belts to finish their last twelve games at 9-3, placing third in the metro conference.

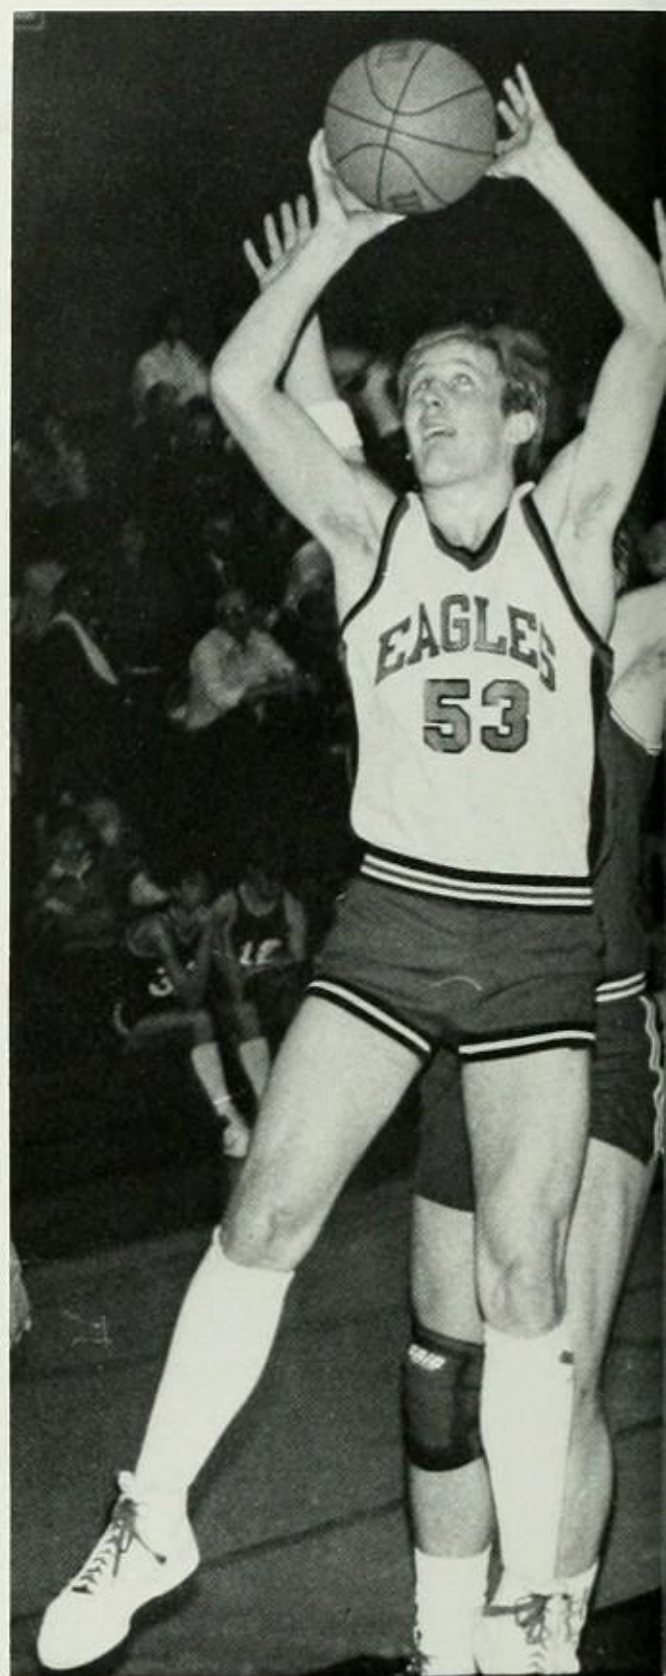

Eagle pride, and hard work defensively was responsible for this year's success. Holding their opponents to an average of 41.3 points per game, which led the Metro League in team defense.

The J.V. season started off with a win over Hartland by a score of 34-30, but the next four games were dropped by the Eagles, including a loss in league play to Holly 40-32. The J.V. Eagles rebounded from the four game losing streak to beat Durand by a score of 56-39. The next two games,

against Fenton and Mt. Morris were also dropped by the J.V.'s.

Linden played excellent against Fenton losing by only four points. The Eagle defense kept Fenton within reach the whole game, holding them to only 46 points. The Eagles then took five games in a row, including a win over Lapeer West, and Lakeville. West was unbeaten coming into the game against Linden. Both teams played excellent defense which was displayed in the final score of 35-30.

The Eagles finished the season in third place in the Metro standings. Warner, Franks, Hall, and Niester accounted for over 200 steals while Neil led all rebounding with 171 boards for the season. Chris Franks with 11.6 points per game, and Jeff Warner with 10.6, led all scorers.

How do you feel the season went?

Mike Ward — "Great!, the first part we started out kind of slow but the second half we did pretty good."

Scott Hunsinger — "I thought the season went great and it was really fun."

FRESHMEN

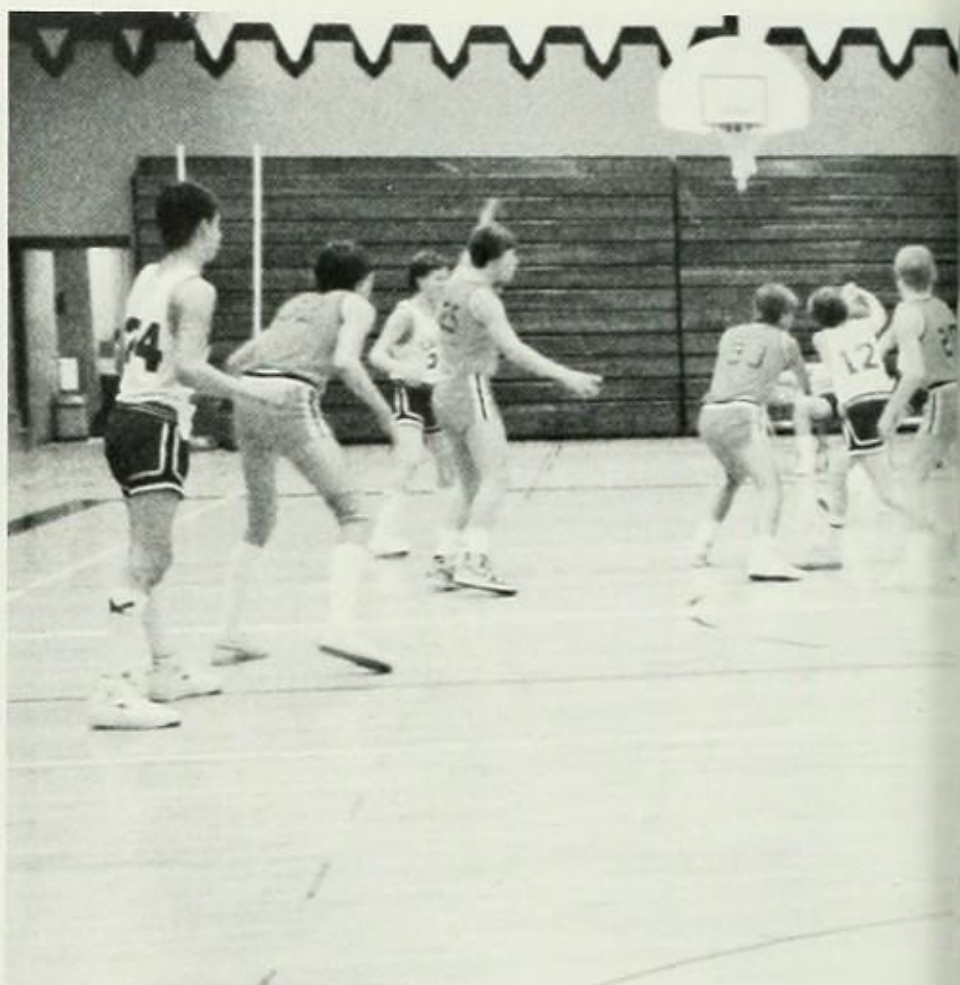

FINISH WITH RECORD SEASON

The Freshman Basketball team enjoyed its best start (6-1) and best finish (17-4) since being reinstated four years ago. The point guard combination of Brian Soules and John VanGoethem showed nice leadership by scoring 16 and 17 points respectively against Hartland. Jim Holsinger (most valuable player) and Scott Johnson (coaches award) asserted themselves early in the season by combining for 72 points in the first three games.

The only thing the Freshman seemed to be lacking was free throw shooting, which resulted in three of the four losses. Fenton handed the Freshman

their first loss of the season in a tough overtime battle. They played a good game, except for their 11 for 26 night from the charity stripe, ending in a 38-35 defeat. Later they bounced back to hand them their first Metro loss of the season with a balanced scoring attack being the key to seal a 52-33 victory.

The young Eagles had another first in winning the Lakeville Tournament. They overpowered Oxford, Holly and Lakeville. A strong pressure defense and great bench support from John Dotson, Todd Brown and Pat Murphy helped finish off the record season in winning ways.

HOW DO YOU FEEL THE SEASON WENT?

Pat Murphy: "Grrrrrrreat."

Joe McKay: "I thought it went real good."

Brian Soules: "Excellent."

John VanGoethem: "It was very successful but we could have had a better record."

Todd Brown: "The season went fine because of our coach and team."

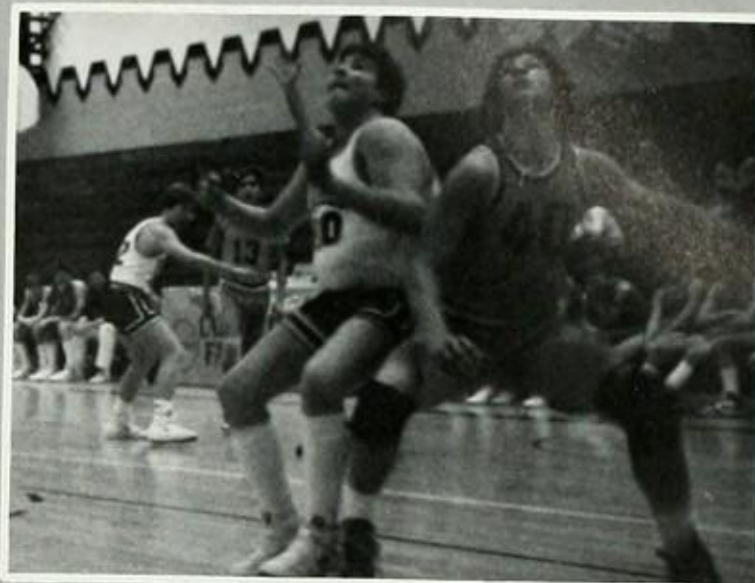

Jim Holsinger: "Excellent."

AN AWESOME SEASON

The 1986-87 hockey team had an outstanding season. They took second place in the metro league and they were the first Linden team to win the regional championship and advance to the quarter finals of the state. They set a school record for most wins in a season with 17 wins, 8 losses, and 1 tie.

Even though the Eagles started the season without some key players, Gregg Smiecinski due to a broken wrist, and Greg Bogusky, they pulled together early on to assert themselves as a power in Genesee County. However, those key players could have been a big help in the early loss to League Champs, Fenton 3-4. This game was especially painful as the winning goal was scored with only 39 seconds left. Even though Linden only won 1 out of the 4 games played against Fenton, the Eagles won the most crucial game. Linden was down two and came back to beat Fenton and win Regionals.

Another first time event came as the Eagles beat Hartland 5-4 in the regular season and again to win the Regional title with a 4-1 victory. Another special event came with 2 hockey players scoring 10 pts. in a

single game by Steve Carpenter and Kevin Pearce. In this victory as well as the whole season the Eagles relied heavily on their goal tender Ray Aiken, especially in the 5-4 victory over Hartland where he turned away 32 shots.

About the only thing that eluded the team this year was the Metro League Title. They fought hard with Fenton in their league game taking a 2 goal lead but could not overcome Fenton.

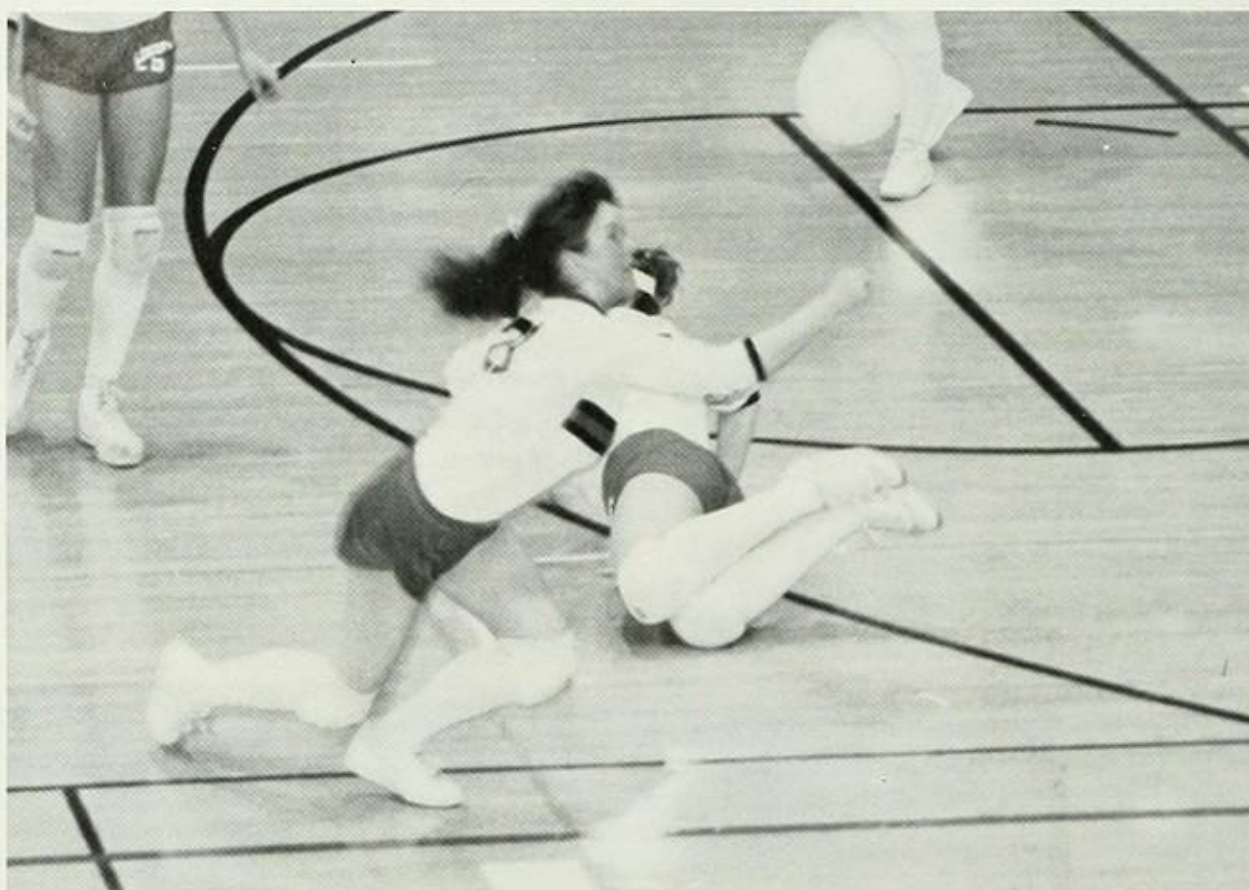

Special Honors were as follows: ALL STATE — Kevin Pearce; *All State Honorable Mention* — Steve Carpenter, Bobby Hutchings, Gregg Smiecinski, and Ray Aiken; *All League* — same as All State Honorable Mention; *All League Honorable Mention* — Greg Bogusky.

Team Awards were: *Most Improved* — Jeff Kaluza; *Most Valuable* — Ray Aiken; *Most Total Points* — Bob Hutchings and Steve Carpenter; *Scholastic* — Gregg Smiecinski; *Sportsmanship* — Gregg Smiecinski; *Coaches Award* — Matt Frantz; *Best Defensemen* — Pat Carpenter.

SPIKERS EARN RESPECT

The 1987 Varsity Volleyball team ended their season with a positive attitude and as winners with a 15-13 overall record. Competition included many top rated teams in the state in all classes and was highlighted by a victory over a powerful Midland Dow team in the Flushing invitational. The Lady Eagles finished in 3rd place in the Metro League with a 9-7 effort. Despite the lack of height and experience, this years squad was always competitive and improved tremendously throughout the season. Lack of consistency was the greatest problem according to Coach Cathy North.

New school records were established in the following areas — Blocks; Amy Warner (106), Assists Stephanie Smethwick (202), Setting percentage Stephanie Smethwick 93% and kills Amy Warner at +.321.

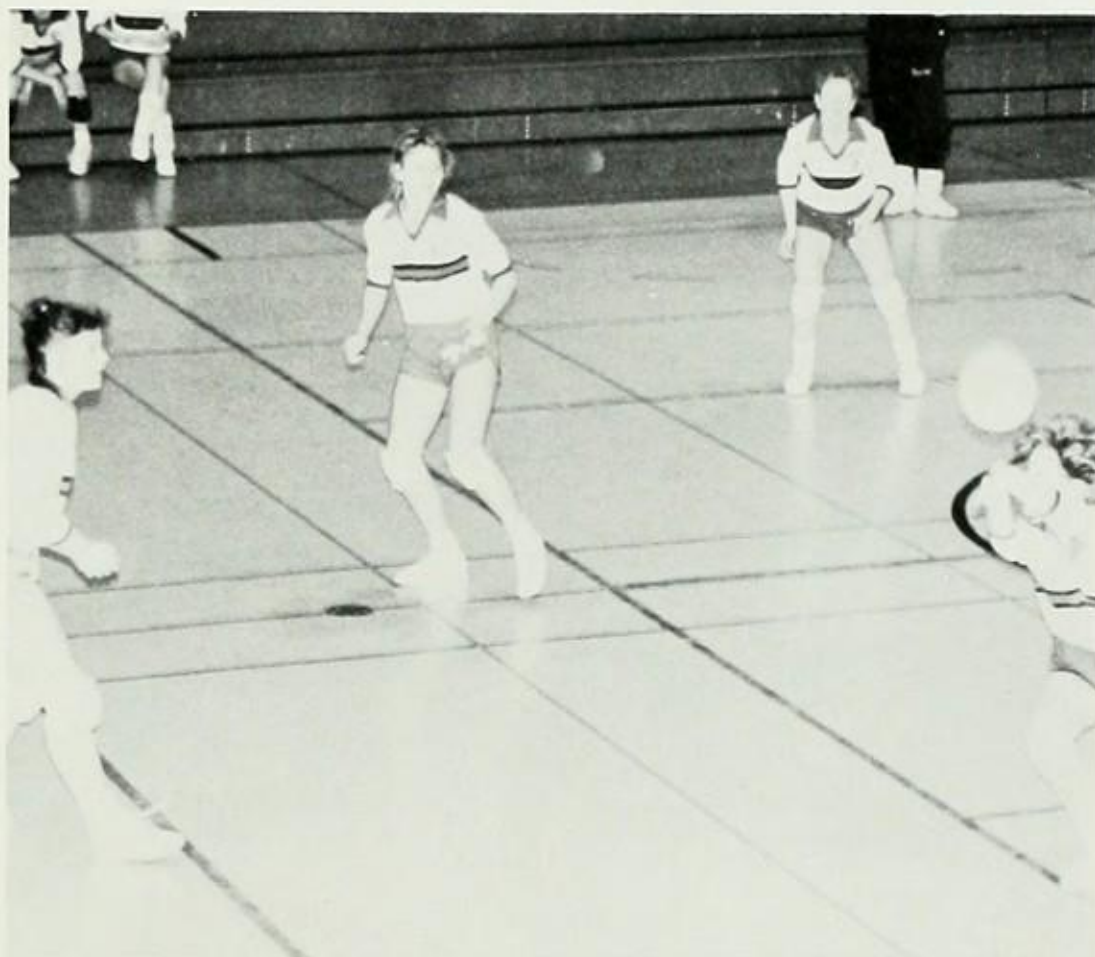

Post season awards went to the following All metro; Amy Warner & Stephanie Smethwick unanimous 1st team; Lisa Earl — 2nd team and Lisa Osmond and Sue Buxton Honoral Mention.
All Region; Stephanie Smethwick and Amy Warner
All State; 3rd Team Amy Warner.

The 1987 Varsity Track Team finished with a disappointing 3-7 dual meet record. This year's team was dominated mostly by freshmen and sophomores. There was a total of four seniors and six juniors on the team of 28 players. The pay to play really hurt the team this year. As it was a young team for coaches Maas & Smith.

The tri-captains of Bruce Bretzke, Vince Sielski, and Paul Steck led the team. Bretzke the team's top 400m and 200m runner, placed 1st in the league in the 400m but had to scratch the 200m as a pulled thigh muscle kept him out. Vince, the top 100m runner placed 2nd in the 100m and 3rd in the 200m at the league meet. Paul had a disappointing fourth place in the high hurdles but made up for it in the long jump as he jumped 20'2½", which placed him 2nd in the league. Steck was also the highest placer in the Regionals as he placed 3rd in the High Hurdles.

Bretzke this year missed the school record in the 400m by two-tenths of a second. The year wasn't that bad for individuals as Brian Soules broke the freshman class record in the discus (118'2") and Steck tied the junior class record in the 110m H.H. (15.2). Linden placed 3 on the All Conference Team, Bretzke (400m), Steck (Long Jump), and Vince was honored twice, in the 100m and 200m.

VARSITY WINS FIRST DISTRICT

Just when last year's fans were asking, "Can we improve on the great season of '86?", the '87 squad was answering "Yes we can!". Many of Linden's baseball records fell by the wayside in '87 including the most wins with 34 and their first ever district championship.

They also won the Metro League championship and placed 2nd in the Flint Invitational. The Eagles started out with a loss in their first league double hitter against Lapeer East and they did not lose another league game until their last double hitter with Mt. Morris. However, they won the 2nd game against Mt. Morris to clinch the

league title for the 2nd year in a row. It was no easy task as the Eagles battled from behind several times this year and kept the fans biting their nails as it took a bases loaded single in the last inning by Brad Baldwin to secure the win. The boys also made an outstanding showing in the Flint invitational with several come from behind wins only to lose to Grand Blanc in a tough 3-2 loss in the finals.

The highlight of the season came at Hartland as the Eagles beat Chelsea in the District finals to clinch their first ever District championship.

SOCCER TEAM MAKES RESPECTABLE SHOWING

The Linden soccer team ended the long '87 season with a record of 2-6. The team consisted of only 12 players, which hurt in the closing moments of their games.

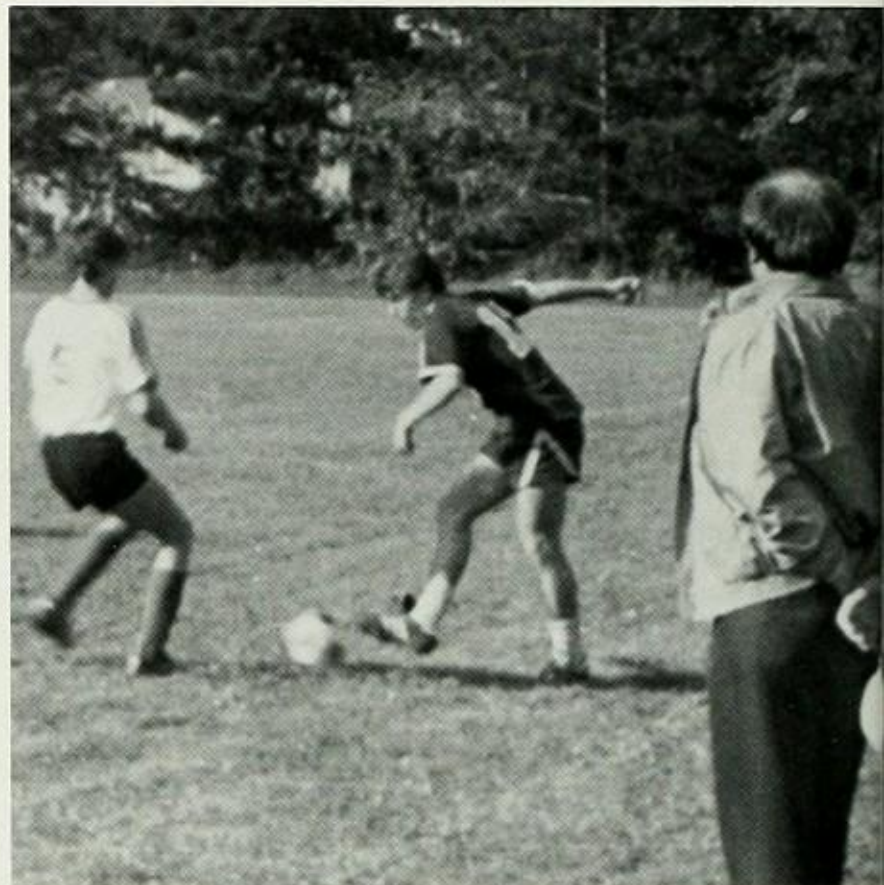

The teams slow start at the beginning of the season was disastrous. They had organizational difficulties which kept them from starting their practices until the other teams had been practicing for 2 weeks. The team did show vast improvement over the course of the season, and as coach MacDermaid said, "four more games would have really helped." The Eagle soccer team played many close games including a loss to Lapeer East that went down to the last seconds of the game, and a win over Fenton by a score of 2-1, which really got the team fired up. Linden lost their final game of the season to Ortonville Brandon

by a score of 4-0. It was a well played, and even game up until the closing moments of the game. Coach MacDermaid said, "More than any other time this season, this game really showed our tiredness at the end." The team played an improved game on defense against Brandon, and set good traps. The team suffered on offense, lacking crispness in their passing game.

Next year the team will be losing five of their better players to graduation, their leading goal scorer Randy Soules, along with Glenn McCrill, Brian Wright, Larry Diamond, and Dave VanGoethem. "It's paramount that we get more kids out next year." MacDermaid said. Four of the Linden players received all-area soccer team: Randy Soules, Glenn McCrill, Dave VanGoethem, and Larry Diamond.

THE TEACHING STAFF

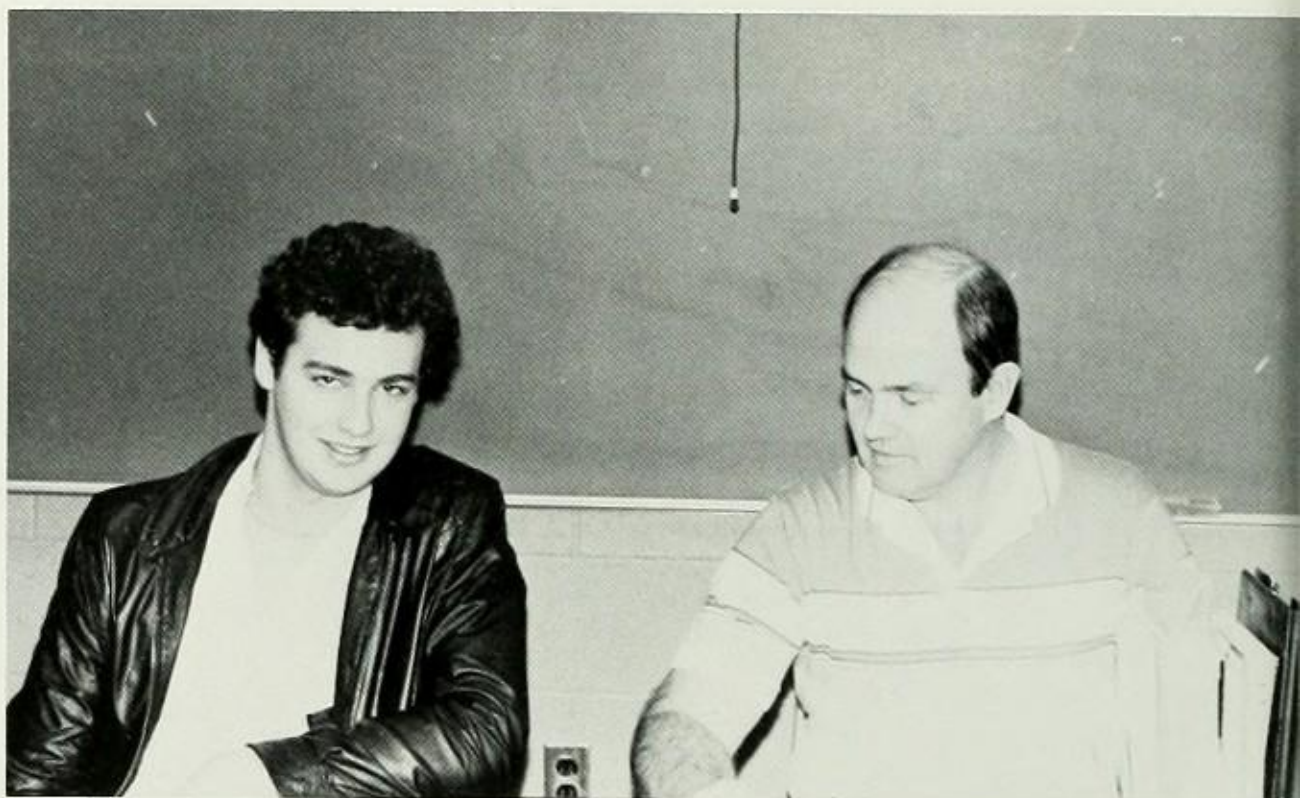

What is the biggest change you
have seen in students in the last
10 yrs.?

Mrs. Buerkel: "What they used to
think, they now say!"

Mrs. Buffenbarger: "They have got-
ten much more conservative regard-
ing knowing and expressing their
rights. In other words, I don't find
them quite as rebellious."

What is the most unusual excuse you have heard from a student being tardy?

Mrs. Hayes: "Vic Lake told me a story about road construction that kept him from traveling his normal route. He took a different way and ran into an accident that held him up. When he finally got passed it, a tornado swept across his path and that detained him. When he finally got to the driveway of school, a terrible mudslick at the entrance almost put him into a spin. He ran as fast as he could, but he was still late." (I didn't buy it, but it amused me nonetheless!)

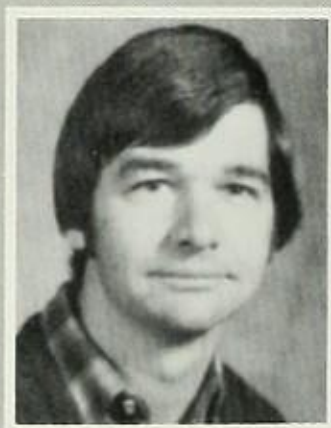

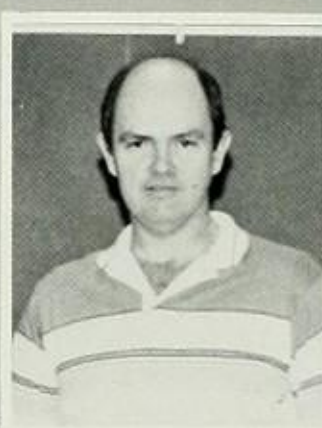

Mrs. Dutkiewicz

Mr. Holcomb
Anatomy, Genetics, Microbiology.

Mr. Hopkins
Typing, Physical Education, Varsity Baseball
and Basketball Coach, Assist. Football Coach.

*What is the most outrageous
act you have seen a student
do?*

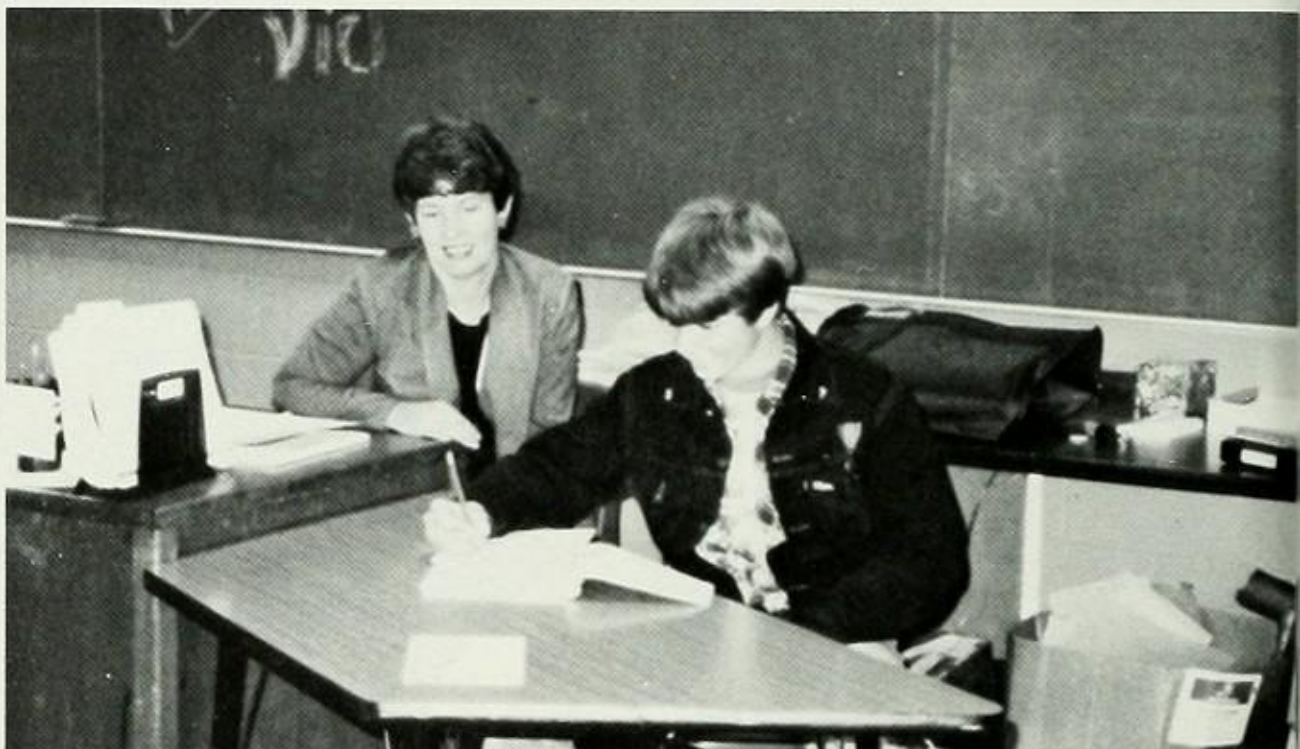

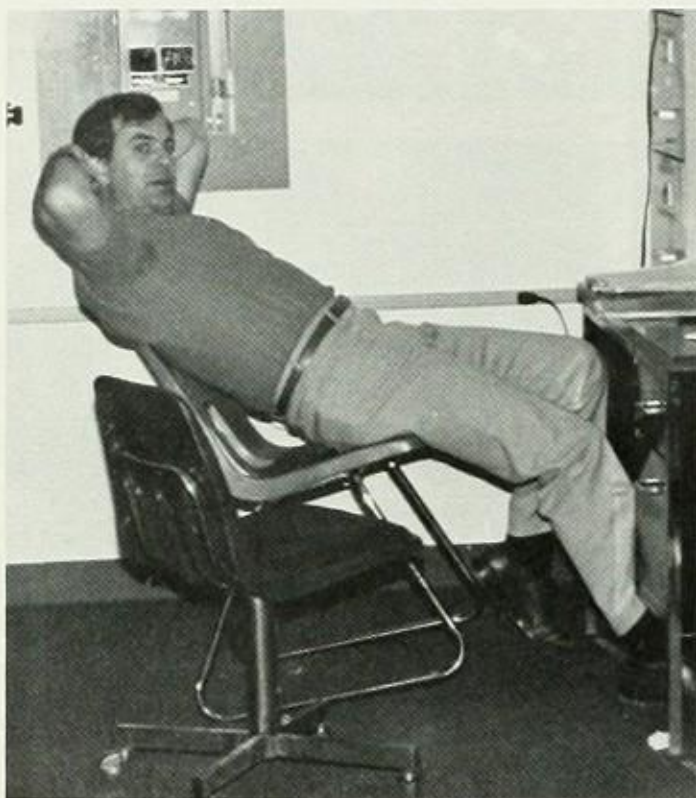

Mrs. Holcomb: "About 6 yrs. ago, I watched a student hoist a dead carp on the flag pole. Observed the "Big Boy" in the courtyard. Also observed Prices cow and live pigs in the courtyard!"

Mr. Hopkins: "The students dog fell asleep on their alarm clock which was muffled by the coat of the animal. That is real original!"

What is the most unusual excuse you have heard from a student for being tardy?

Mrs. Maguire: "I was practicing fishing in the parking lot — (I had to give a speech on it!) Randy Jubenville."

Mr. Maas: "As student was tardy for first hour constantly claiming he had to milk the cows. Finally to prove his point, he came into class wearing the clothes he wore 'at work', my room stunk for a week!"

What is the most unusual excuse you have heard from a student being tardy?

Mrs. North: Rather than coming up with a new and unusual excuse, a group in my class created a list of excuses. This list was numbered to save time, the student only cited a number when they came in late!

What is the biggest change you have seen in students in the last 10 yrs.?

Mr. Starrs: I think students are more well behaved now. They went from being serious and smart, to lousy, and now they are coming back to being those serious smart students.

Mr. Smith

THE BEGINNING IN 1974 TO

A NEW BEGINNING IN 1987

I feel as though I'm losing you,
 Though now your life will start -
 The happiness I wish for you,
 Comes sincerely from my heart.
 The world will seem much bigger now,
 The stars will look farther away -
 You will find new challenges,
 New paths to lead you way.
 At times you'll feel deserted,
 And lost without a friend -
 At others you will feel as though
 Your happiness will never end.
 All things you've ever learned,
 Will help you in some way -
 You will remember something
 Mom taught you,
 Each and every day.
 The love you've shared,
 The friends you've made -
 Will guide you through your dreams.
 No matter how saddened or hopeless life seems,
 Much more independent you'll need to learn to be,
 A lot of opportunities and chances you will see.

In this world, you must never forget:
 The things you've learned,
 The friends you've made,
 The people you have met.
 Never neglect to dream,
 Never neglect to pray,
 Never neglect to smile,
 Never forget today.

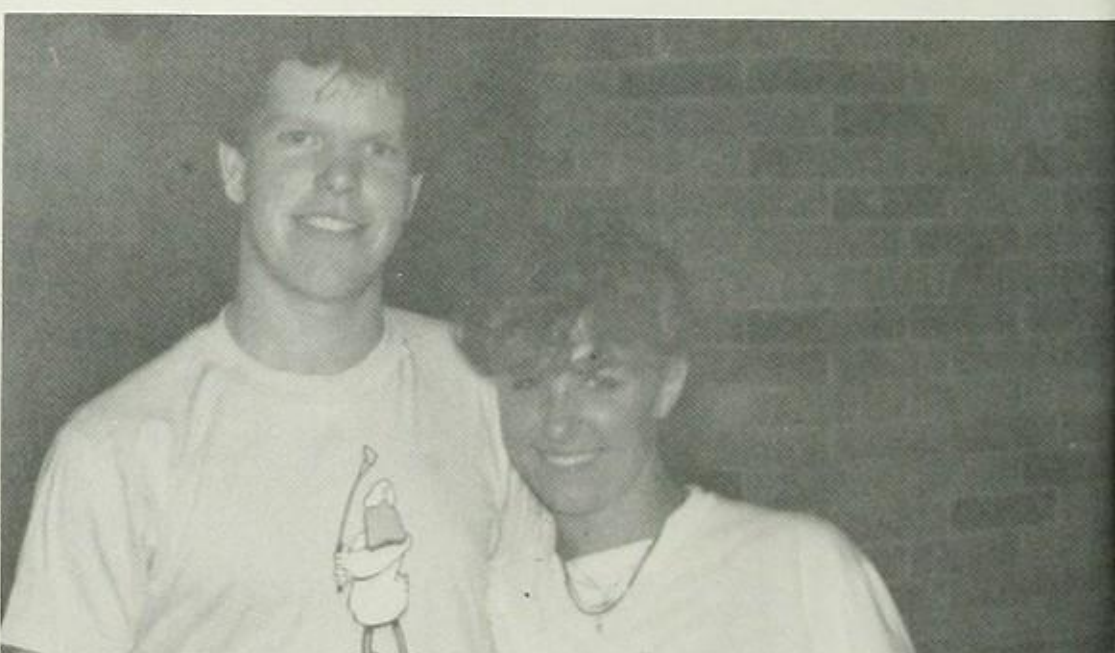

I wish you every happiness
 In all that life will bring.
 Please always remember -
 you've made my life special
 more than you know.
 So take this memory with you,
 wherever you go.

WHAT WOULD YOU DO TO GET ON A TEACHER'S GOOD SIDE?

Carrie Dawson: Tell them my boyfriend's Todd Cheladyn.

Dawn DeGayner: Act my normal self.

Rebecca Dunlap: I would help them out, also bring them an apple.

Jennifer Earl: Help them out.

YOU KNOW YOU'VE HAD ENOUGH SCHOOL
WHEN ...

Melissa Biggs: You don't wake up to your alarm clock.

Heather Cole: The days and hours go slower and slower.

Chad Cooke: Your mom has to keep telling you to get out of bed.

Mark Bacon: You ask your mom to call in for you when your not sick.

WHO DO YOU FEEL HAS A MAJOR INFLUENCE ON YOUR DECISIONS?

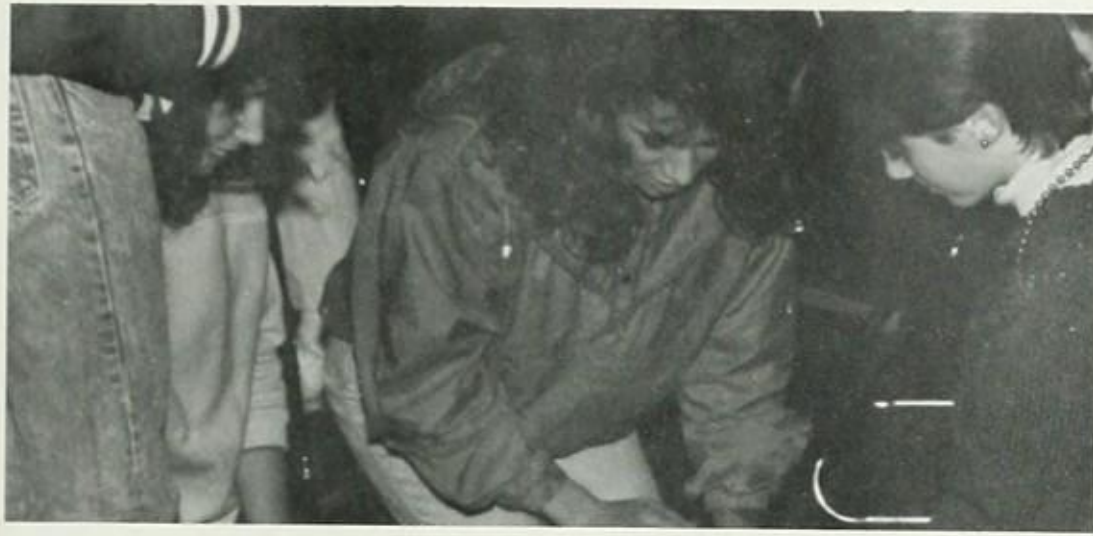

Jennie Gould: Parents, they're always there for you.

Lacey Kerner: Parents, you can trust them to help you with your decisions.

Brittany Kourt: Friends, you can tell them things that you can't tell your parents.

Andrew Litwin: Parents, you can always count on them.

WHAT WAS YOUR FIRST WEEK OF SCHOOL LIKE?

Carrie Mann: It was ok, I like being in the high school rather than the middle school.

Keith McDaniel: Ok, besides me losing everything.

Melissa Mudrak: It was interesting, I thought the upper classmen would pick on us lower classmen more.

Kenneth Ort: It was like any other normal school day, besides me being a little scared.

IS THE HIGH SCHOOL WHAT YOU EXPECT-
ED IT TO BE?

Jennifer Rhodes: Yes, because being in cheerleading has made it a lot easier.

David Savage: No, because I thought it would be a lot easier.

Rebecca Smitz: No, it's smaller than what I expected it to be.

Gregory Stiff: Yes, the older classmen are o.k., their not as mean as I thought they would be.

BT. hi sweetie. Tho so Down!
It's been a great year so far
and there so much more
coming. I can't wait until all
the big parties in the spring!
But always remember to have
fun and get drunk but not
to drunk (ha-ha). Take care and
remember me always.
